15	Drum Vocal	Monitor Rig/IEM	House Mic
16	Bass Vocal	Monitor Rig	House Mic

Notes:

- Keys feed from a Roland SPD-SX Pro Sampler from Monitor Rig
- All of the bands monitors are IEM's except Bass Player uses a wedge.
- Bass player is DI
- All IEM's and Bass Players wedge are fed from our monitor rig on stage and we split the mics from the rig for the houses stage box (see monitor rack sheet).
- We provide a vocal doubler for use on all background vocals for FOH
