Dear Restaurateur,

We are pleased to announce the Arizona Restaurant Association's newest partnership with Capstone. Following a six-month review process and direct meetings with the programs' founders, we are confident in the ability of the Capstone Plus program to provide value and expertise to our members.

This partnership reflects our belief that Capstone Plus offers a unique and meaningful opportunity for restaurant and food service-related businesses. The program aligns with our mission to provide our members with up-to-date regulatory information and to identify innovative and results-driven solutions that contribute to the long-term success of the industry.

We encourage our members to explore the benefits of the Capstone Plus program.

Sincerely,

Dan Bogert  
Chief Operating Officer
