## Mindful Movement & Music Camp June 8 – 12

Ms. Tory, a licensed Speech & Language Pathologist, and Ms. Bessie, with a double degree in Child Development & Human and Organizational Development are excited to present a new camp this summer. This week with focus on social-emotional learning through movement, music and mindfulness. Activities will include dance, story time, music and yoga to increase campers' creative visualization skills, increase body awareness, relax, disconnect from technology, improve communication/social skills and connect to new friends.

## Company Intensive & Auditions June 9 – 12

Prepare your dancer to be a part of the Studio B Competition Teams with our 4-day summer intensives. Dancers will receive top training in jazz, tap, contemporary, hip hop, lyrical and ballet 5 hours per day to get them in shape for the competition season ahead. Auditions will take place during the last 2 hours of camp on Friday for returning and prospective dancers.
