Hello Neighbors!

Unprecedented is an adjective meaning "without previous instance" and "never before known or experienced; unparalleled." If you've been keeping up with the news, you'll have seen this word used frequently! Many of us are dealing with a new routine that involves finding ways to work, eat, exercise, be entertained, and socialize with one another. It's important to find community in hard times, as no one makes it through something difficult alone. A "Good Neighbor" community means helping your neighbors, asking if your friends are ok, or taking the time and effort to check in on the most vulnerable members of our town.

With this in mind, we are reaching out to our Newfield community for financial support. Food Pantry grants have been dramatically cut (up to 75% of our previous funding); this essential service has to provide more food to an increasing number of households with far fewer resources. Families are having to develop new routines and alternatives to daily living. These changes impact households on many levels: financial, transportation, household safety, medical, emotional well-being and more. With your financial support, CGNF is able to assist families with household expenses that may impact their ability to navigate so many new ways of meeting day to day needs.

The Community Good Neighbor Fund committee is extremely proud and grateful that you are so willing to assist families and individuals who have needs that would otherwise not be met without your contributions. The financial report will explain how we utilize the donations we receive. We hope that this will demonstrate how we are "Good Neighbors." Thank you for your continued support of CGNF and our Newfield Community!

Donating is easier than ever! You can donate by using PayPal at our website www.newfieldcgnf.com We will also continue to accept your gifts in the traditional way by using our mailing address noted above, or in person at the Newfield Town Hall (166 Main St. Newfield NY 14867).

Thank you to the organizations that continue to support us throughout the years: King Hiram Lodge, Lions Club, Lionesses Club, Ithaca Elks Lodge, Newfield Central School, local charities and businesses.
