

Country Day Guidelines

Illness:

Please do not send your child to school if they are sick. A nose running like a faucet, chronic coughing, or excessive tiredness are factors that interfere with your child's normal activity at school. Any vomiting or fever should be gone for at least 24 hours before they return to school.

Potty-training:

It is not required that your child be fully potty trained by the start of school. We really appreciate it, but we know that children can be ready for school long before they are ready to be in complete control of their bodies.

Birthdays/Holiday Parties:

WE LOVE TO HAVE PARTIES!! We celebrate all "traditional" holidays with parties. There is no religious basis with any of these celebrations. If you celebrate any special holidays or traditions that we don't, please feel free to share it with us. We celebrate all of the children's birthdays with a crown and a surprise from a "Birthday Box". We welcome any treats that can be brought near the end of the day. The children love sharing this with their friends. Just notify us on the day you are bringing them in so we are prepared.

Vacations and Holidays:

We basically follow the Rescue Union District School Calendar for holidays. If this is a day off for them, then it is a day off for us. Copies of calendar can be found on the Rescue Union School Districts website.
