CHOWAN RIVER INFOGRAPHIC TO ALBEMARLE SOUND

The Chowan River is a 50-mile blackwater waterway formed by Virginia's Blackwater and Nottoway rivers, flowing south into North Carolina's Albemarle Sound. Averaging 16 feet deep and reaching up to 2 miles wide, it features cypress swamps, remote water-access platform campsites, and excellent fishing for largemouth bass and catfish

*For large yachts or sailboats with air drafts higher than **29 feet**, passage under these fixed bridges will require lowering the mast or proceeding via an alternate route, as there are no drawbridges on the upper river to open for taller vessels*

*For most cruising yachts and sailboats transiting the Albemarle Sound (such as the Highway 32/37/94 Fixed Bridge) or cruising the wider Intracoastal Waterway (ICW), you can safely assume a standard vertical clearance of **65 feet**.*

OVERALL DIMENSIONS

- A. Length - 261.80' (3,141.7")
- B. Width - 55.125' (661.5")
- C. Depth in Water - 16.075' (192.9")
- D. Height Above Water - 40' (480")

CUSTOMIZATIONS OVERALL SPECS.

- **Liebherr LTM 1750-9.1 Custom Arrangement on Deck**
 - Stabilizer Placement on Deck (2,000,000 lbs.)
 - PSI Steel Plate or Floor Requirements - 4.8 psi
 - Location under Deck
 - Cross Beam Steel PSI Under Stabilizer Plate (3'x3') - 868 psi
 - From Deck House (Measurements)
 - Deck House - 70' Away (Rear Stabilizers)
 - Rear Stabilizers - 70'
 - Front Stabilizer - 109.33'
 - Ship Sides
 - Right Side - 7.85'
 - Left Side - 7.85'
- **Liebherr LTM 1750-9.1 Luffing Jib Installation**
 - Right Side of Ship
 - Start the Cutout on Sides for Luffing Jib Installation - 83' From Deck House
 - End the Cutout on Sides for Luffing Jib Installation - 93' From Deck House
 - Cutout is for boom to lay down on the outside of ship to barge where the tub boat can pull the barge until last portion is installed and then push forward until luffing jib is off the barge
 - The rear door has an overhead mechanism that prevent me from installing luffing jib from the rear
 - Left Side of Ship
 - Start the Cutout on Sides for Luffing Jib Installation - 83' From Deck House

Replenished Life

To Replenish Life to the Poor and Needed

To Build Homes where my wives can retreat from America to Pink Sand Beach, where God has me to be a King of my own Island

Bahamas - Cat Island Beach Front (500+ Acre Island of our own). No company, a retreat from the States

- ***600 Nautical Miles from Outer Banks***
- ***Yacht Home with Yacht Crew has Homes on the Island as well***
- ***To create a little island of its own without the need to provide the entire infrastructure, such as travel and basic facilities***

550+ acres with over half a mile of undisturbed pink sanded beachfront affords the savvy investor the best of both worlds;

St Croix, US Virgin Island - Amazing opportunity to purchase a large property on the North Shore. This 32+ acre plot just across the road from the seashore is listed at a great price due to its status of being largely in a floodplain. There is more than an acre at the back of the property outside the floodplain that would have fabulous views from its 10-20 foot elevation. Build your home overlooking this large space with fabulous sea breezes and wide open sea views.

***Transloading Warehouse
99 La Vallee NB***

To Replenish Life to the Poor and Needed

Mrs. Kareesha Robinson
Mrs. Cassandra Robinson
Mrs. Klope Robinson
Mrs. Ebony Robinson
Mrs. Sasha Robinson
Mrs. Lovely Robinson
Mrs. Flo Robinson

The main benefit for the ladies and myself is an additional room and time for Cross Dock in the states. The Rocky Mount location is for distribution by truck or rail only. If the client has a \$1,000,000.00 Weekly Inventory Consumption, and don't have the means to hold that much material. We then stock \$8,600,000.00 (Roughly - (35) 40' Shipping Containers and the Landing Craft will come to Hawaii and pick up and then transport.

However, when weather or disaster comes. Until we can buy another Cargo ship. All things halt from Interstate-55 and points east until the threat is over. All trucking halt to saves life when the corporate team comes together. We all go out to sea in front of the storm to conduct business. The Landcraft crew then load up the Liebherr LTM-1750 9.1 No matter the threat. We made need the 300' radius to remove wash to shore boats.

Then either long reach excavator is loaded or standard stick or even both. The we load container of supplies for the family such as

- *20' Refrigerated Container is loaded by Sam's club*
- *20' Dry Container is loaded by Sam's club*

- 40' Flat Container are loaded with Dual Axle Pick-ups and Dump Trailers
- 40' Flat Container is loaded onto Conestoga Trailer with Sand Bags and building supplies

The crew load up for a 9.1 day voyage out to sea to get behind the storm to come in to help the direct hit of the Carolinas or DMV if wide spread.

In Logistics the entire Island where we purchase land or the island is a 1,000,000 square foot warehouse it has all clients goods of ours for 2 months or more inventory

The Islands are long term and when a client doesn't have the capacity to hold the inventory. We house all goods from Asia at Hawaii Island Warehouse.

We house all of Europe and Africa at the Bahamas Island. We stay away from hard labor for our employees. We invest in machinery that does all the hard work. So the amount of workers is not important over the employees' lifestyle on the islands.

Now my wives including me will never have a self pay higher than what we pay employees. That is not saying anything fancy. They can buy a Rolls Royce. The fuel and maintenance must be under the self pay. The family vehicles such as Yacht, Jet, Helicopters are all paid through business. When they come to a term of self pay that we all agree on then that means their employee is making what they agreed to accept as self pay.

I may choose Cadillac or German Vehicles. I can afford the American Home Place Southampton in Edenton, NC with a Cadillac CT5 Blackwing or a Corvette ZR1X and a Cadillac Escalade.

Now on the Island we pay all workers \$75k that is what i suggest, It may not get approved by all. Some might want more. I refuse to take my money into a car when I like other things to do. I will only spurge in business and family. I live just like my employees. When tax increases it hurt me as well, When food increases it hurts me too.

**INITIAL
PURPOSE**

*1st Purpose - Support FEMA
in Search Rescue and
Rebuild*

*2nd Purpose - Warehousing
in Hawaii with our Asia
Continent Countries by
having a Transloading
Warehouse where we can
give the locals in Hawaii a
\$75,000.00 year starting
salary through the union*

*3rd Purpose - To support
East Coast Transloading
with long term Storage in
the Bahamas where we can
give the Local Fedex the
shipping routes from all
Islands warehouses*

*The goal is to be on top of
shipping logistics with less
employees with top notch
salaries in the islands of
America*

*To Replenish Life to the Poor
and Needed*

*Mrs. Kareesha Robinson
Mrs. Cassandra Robinson
Mrs. Kloke Robinson
Mrs. Ebony Robinson
Mrs. Sasha Robinson
Mrs. Lovely Robinson
Mrs. Flo Robinson*

*The main benefit for the
ladies and myself is an
additional room and time for
Cross Dock in the states. The
Rocky Mount location is for
distribution by truck or rail.*

*The Islands is long term and
when a client doesn't have
the capacity to hold the
inventory. We house all
goods from Asia at Hawaii
Island Warehouse. The Land
Craft pick up items for 60 day
inventory from the island and
then bring it to the N.J.R.
Logistic Sea Port where the
Owner Operators pick up
containers straight of the ship
to 48' Flatbed and bring
them to Rocky Mount to be
sorted.*

- *Big Payloads*

*To Replenish Life to the Poor
and Needed*

*Mrs. Kareesha Robinson
Mrs. Cassandra Robinson
Mrs. Kloke Robinson
Mrs. Ebony Robinson
Mrs. Sasha Robinson*

*The main purpose-built
fishing personal watercraft
featuring a 170 HP Rotax 1630
ACE engine and the
ultra-stable ST3 hull.
Designed for serious angling,
it includes a*

*Garmin 9-inch GPS and fish
finder, height-adjustable
swivel seat, 51-liter LinQ
cooler with a livewell, and an
integrated anchor system.*

*The FishPro Trophy 170 is
explicitly designed to solve
major on-the-water fishing
challenges from a personal
watercraft. Its primary
purposes include:*

- *Sight-Fishing and Casting:*
- *Live Bait Transport:*
The 51L LinQ cooler
- *Integration:*

Another Benefit for the ladies in the Tri State Area and other Major Cities on the Coast. Bypassing ground traffic. The Bell 407 will save hours during daily commutes and airport transfers.

Rooftop Helipads maximize urban space efficiency, bypass heavy ground traffic, and dramatically accelerate emergency response times.

By elevating aviation infrastructure above congested city grids they eliminate common ground-level hazards and provide rapid, direct access to high-rise facilities.

Replenished Life

To Replenish Life to the Poor and Needed

***To Build Homes where my wives can retreat from America to Pink Sand Beach, where
God has me to be a King of my own Island***

***Bahamas - Cat Island Beach Front (500+ Acre Island of our own). No company, a retreat
from the States***

- *600 Nautical Miles from Outer Banks*
- *Yacht Home with Yacht Crew has Homes on the Island as well*
- *To create a little island of its own without the need to provide the entire
infrastructure, such as travel and basic facilities*

***550+ acres with over half a mile of undisturbed pink sanded beachfront affords the
savvy investor the best of both worlds;***

***St Croix, US Virgin Island - Amazing opportunity to purchase a large property on the
North Shore. This 32+ acre plot just across the road from the seashore is listed at a
great price due to its status of being largely in a floodplain. There is more than an acre
at the back of the property outside the floodplain that would have fabulous views from
its 10-20 foot elevation. Build your home overlooking this large space with fabulous sea
breezes and wide open sea views.***

Vacation Home

***99 La Vallee NB
St. Croix, VI 0080

Operating costs generally track at 10% of the yacht's value per year. For the 500EXP, expect the following breakdown:

- **Crew:**
 - \$800,000.00 – \$1,200,000.00
 - Requires a dedicated crew
 - Crew of 9 to 11 to handle the technical operations and aviation logistics.
- **Fuel & Lube:**
 - \$400,000.00 – \$600,000.00
 - Heavy reliance on dual Caterpillar Engines,
 - Plus generator usage during extensive global voyages.
- **Docking & Port Fees:**
 - \$200,000.00 – \$350,000.00
 - Prime marina berths in the Mediterranean or Caribbean are at a premium for 47-meter vessels.
- **Maintenance & Refit:**
 - \$300,000.00 – \$500,000.00
 - Routine Exterior Upkeep,
 - Antifouling,
 - Mechanical Servicing,
 - Helicopter Operations Maintenance.
- **Insurance:**
 - \$150,000.00 – \$250,000.00
 - Requires specialized maritime hull & machinery coverage,
 - Plus additional **aviation-specific liability** for the helipad.

**INITIAL
PURPOSE**

*To Replenish Life to the Poor
and Needed*

*To Replenish Life to the Poor
and Needed*

*To Replenish Life to the Poor
and Needed*

*To Build Homes where my
wives can retreat from
America to Pink Sand Beach,
where God has made Kings
and Queens to Dominate
and Replenish Life.*

*Mrs. Kareesha Robinson
Mrs. Cassandra Robinson
Mrs. Kloke Robinson
Mrs. Ebony Robinson
Mrs. Sasha Robinson*

*Mrs. Kareesha Robinson
Mrs. Cassandra Robinson
Mrs. Kloke Robinson
Mrs. Ebony Robinson
Mrs. Sasha Robinson*

*The Body of Christ You don't
own anything, everything is
to God.*

*The main benefit for the
ladies and myself is an
additional helicopter that
weighs 5,500 lbs. At
maximum takeoff weight
(MTOW) is that it perfectly
balances heavy payload
capacity with fleet versatility.*

*The main purpose-built
fishing personal watercraft
featuring a 170 HP Rotax 1630
ACE engine and the
ultra-stable ST3 hull.
Designed for serious angling,
it includes a*

*I don't have a problem
opening the island to guests
however I will not build for
the public to be entertained.*

*The Bell 407 can carry all
Ladies at the same time and
me with heavy gear while
easily navigating in small
places where large aircraft
cannot fit*

*Garmin 9-inch GPS and fish
finder, height-adjustable
swivel seat, 51-liter LinQ
cooler with a livewell, and an
integrated anchor system.*

*Only houses built there in
my immediate circle (Family
or Employee of the Yacht or
Aircrafts)*

- Big Payloads
- Safety Buffer
- Fuel Range

*The FishPro Trophy 170 is
explicitly designed to solve
major on-the-water fishing
challenges from a personal
watercraft. Its primary
purposes include:*

*No family reunion type of
setting. I don't want to pull
away from the ladies retreat
from the States*

*Another Benefit for the ladies
in the Tri State Area and
other Major Cities on the
Coast. Bypassing ground
traffic. The Bell 407 will save
hours during daily commutes
and airport transfers.*

- **Sight-Fishing and Casting:**
- **Live Bait Transport:**
The 51L LinQ cooler
- **Integration:**

*We construct all Commercial
buildings. Including 341*

Winstead Ave. in Rocky Mount, NC our office facility with a Helipad on the roof or the ground.

We are constructing sports stadiums and arenas with Helipads on the roof of the Stadium for easy access to VIPs with security for our beloved President, Vice-President and VIP Guest that doesn't like the media when they are with family and friends.

We eliminate opening domes to Helipads for VIP and the President tours to stop blockades in major cities

Rooftop Helipads maximize urban space efficiency, bypass heavy ground traffic, and dramatically accelerate emergency response times.

By elevating aviation infrastructure above congested city grids they eliminate common ground-level hazards and provide rapid, direct access to high-rise facilities.

The lovely Ladies main purpose is to provide convenient, private air access, it allows the ladies to fly directly to the boat. The ladies will skip busy ports, avoid crowds and save time.

- *Travel Flexibility*
- *Ultimate Privacy*
- *Emergency Use*
- *Space for Toys*

The lovely Ladies main purpose is to provide convenient, private air access, it allows the ladies to fly directly to the boat. The ladies will skip busy ports, avoid crowds and save time.

- *Travel Flexibility*
- *Ultimate Privacy*
- *Emergency Use*
- *Space for Toys*

For the ladies main purpose or role in spreading the truth of God to a fabrication world without truth or afraid of truth.

Now you see who is God's spirit in man. A man of God doesn't want fame.

The harder the man must fall before God. We don't like suffering.

*You must have patience for
the world. They don't have the
truth. They only know
fabrication and you are the
truth. Don't force God on
others.*

*Learning the process that you
put a Ring on my finger.
Knowing If God sees me as
the Head. Then you are being
judged by God as you being a
Queen. The world judges me
but God judges you. Stop the
sickness in the woman.*
