APPLICATION TO CULTIVATE INDUSTRIAL HEMP

As part of the North Carolina Hemp Research Pilot Program

- 2. TYPE OF LICENSE APPLIED FOR: Research With Intent to Market***
- 3. DURATION OF LICENSE APPLIED FOR: Three Years***

RESEARCH PURPOSE

Check only the boxes below that correspond with the Authorized Research purpose (ESTABLISHED BY G.S. 106-568.) of your intended planting. This section applies to all intended planting of fields or greenhouses. You will be required to provide an acceptable report of the results of your planting for each of the purposes selected before the following year's license would be issued. Only one purpose is required and additional purposes may be subject to additional documentation of the request of the Industrial Hemp Commission

NORTH CAROLINA INDUSTRIAL HEMP COMMISSION

APPLICATION TO CULTIVATE INDUSTRIAL HEMP

As part of the North Carolina Hemp Research Pilot Program (Yes or No Answers Please)

- 1. Studying and investigating marketplace opportunities for hemp products to increase the jobs base in the state by means of employment related to the production of industrial hemp.: Yes*
- 2. Studying and investigating methods of industrial hemp cultivation that are best suited to soil conservation and restoration: Yes*
- 3. Overseeing and analyzing the growth of industrial hemp by licensed growers for agronomy research and analysis of required soils, growing conditions, and harvest methods relating to the production of various varieties of industrial hemp that may be suitable for various commercial hemp products: Yes*
- 4. Conducting seed research on various types of industrial hemp that are best suited to be grown in North Carolina, including seed availability, creation of North Carolina Hybrid Types, and in the ground varieties of hemp seed: Yes*

NORTH CAROLINA INDUSTRIAL HEMP COMMISSION

APPLICATION TO CULTIVATE INDUSTRIAL HEMP

As part of the North Carolina Hemp Research Pilot Program (Yes or No Answers Please)

5. *Studying the economic feasibility of developing an industrial hemp market market in various types of industrial hemp that can be grown in the state, including by commercial marketing and sale of industrial hemp.: Yes*
6. *Reporting on the estimated value-added benefits, including environmental benefits, to North Carolina Businesses of an industrial hemp market of North Carolina-Grown industrial hemp varieties: Yes*
7. *Studying the agronomy research being conducted world-wide relating to industrial hemp varieties, production, and use: Yes*
8. *Researching and promoting on the world market industrial hemp and hemp seed that can be grown in the state: Yes*
9. *Promoting research into the development of industrial hemp and commercial markets for North Carolina industrial hemp and hemp products: Yes*
10. *Studying the feasibility of attracting Federal or Private funding for the North Carolina Industrial Hemp Research Program: Yes*

NORTH CAROLINA INDUSTRIAL HEMP COMMISSION

APPLICATION TO CULTIVATE INDUSTRIAL HEMP

As part of the North Carolina Hemp Research Pilot Program (Yes or No Answers Please)

11. *Studying the use of industrial hemp in new energy technologies, including electricity generation, biofuels, or other form of energy resources; the growth of industrial hemp on reclaimed mine sites; the use of hemp seed oil in the production of fuels; and the production cost, environmental issues, and costs and benefits involved with the use of industrial hemp for energy.: No*

NORTH CAROLINA INDUSTRIAL HEMP COMMISSION

APPLICATION TO CULTIVATE INDUSTRIAL HEMP

As part of the North Carolina Hemp Research Pilot Program

PLEASE SIGN AND ATTEST TO THE FOLLOWING STATEMENT:

If approved to cultivate Industrial hemp in the North Carolina Industrial Hemp Pilot Program, I agree to pursue the above checked research purpose established by G.S. 106-568.55, collect data that meets the purpose, and report the results to North Carolina State University, North Carolina Agricultural & Technical State University, as well as to the North Carolina Industrial Hemp Commission on an annual basis in a manner of which i will be informed after receiving the license. I understand that failure to do so will result in revocation of this license and make me ineligible for future licenses until an acceptable report is received. Further, I understand that by signing below, this constitutes a written agreement with North Carolina State University, North Carolina Agricultural & Technical State University for my cooperation with them to provide research data and information and to be available and willing to provide additional information to clarify my reported information and data.

This is the end of information collection for the application. The following page is the agreement and attestation page required to process this application. Be sure to complete as instructed and sign the agreement page included with this application. It is vital you complete every portion of this application including the space provided for your printed name and date at the bottom of each page.

The application's approval or rejection will be notified by mail if your application is approved. You will then be required to complete an acceptance document and return that with the designated fees within 30-Days of your approval. After an approval, and your acceptance documents and check have been received for processing you will be issued a license by the North Carolina Industrial Hemp Commission.

PRINT NAME (Last, First, Middle): Robinson, Tariq, Tony

NORTH CAROLINA INDUSTRIAL HEMP COMMISSION

READ AND SIGN BELOW

Please read each of the following sections. Check each box to affirm that you have read the terms set out that you agree to be licensed contingent to the terms. Sign the bottom of the form to agree to all of the terms, below

ACCESS FOR SAMPLING

Yes *I agree to provide access to the cultivated sites and storage facilities for sampling of industrial hemp at any time for any reason to the North Carolina Department of Agriculture and Consumer Services and to any State Bureau of Investigation or law enforcement agency with jurisdiction in the area. I understand I am responsible for the cost of all laboratory analytical services.*

NORTH CAROLINA INDUSTRIAL HEMP COMMISSION

AGREEMENT TO MONITOR AND DESTROY VOLUNTEER HEMP PLANTS

Yes *For three years following the cultivation of industrial hemp on the site(s) identified on this application, I agree to monitor the site(s) identified on this application and the surrounding area for volunteer, or Feral Hemp Plants, in the areas identified above, at my own cost and expense.*

AGREEMENT TO MAINTAIN RECORDS

Yes *I agree to maintain all records, including but not limited to those for agronomics, contracts, sampling, storage, expenses, transportation and delivery, and income, from my cultivation of industrial hemp pursuant to the permit issued by the North Carolina Department of Agriculture and Consumer Services for the duration of the permit while the permit is valid and for three years thereafter. Further, I agree to produce these records upon request of the North Carolina Industrial Hemp Commission, the North Carolina Department of Agriculture and & Consumer Services, North Carolina State University, North Carolina Agricultural & Technical State University, or Law Enforcement.*

NORTH CAROLINA INDUSTRIAL HEMP COMMISSION

AGREEMENT TO NOTIFY PLANT INDUSTRIES

Yes *I Agree to notify the Plant Industry Division (PID) of NCDA & CS and the North Carolina Industrial Hemp Commission (Commission) If there are any changes or deviations from the intentions stated in the license within one month of a known change or deviation.*

Yes *I agree to notify the PID and the Commission if there are any changes to the license holders address within one month of a change for the duration of the license.*

DISCLOSURE OF CRIMINAL CONVICTIONS

Pursuant to N.C. Gen. Stat. § 106-568.56 and N.C. Gen. Stat § 106-568.57, providing the Commission with False or Misleading information subjects an applicant to civil and/or criminal penalties. Participation in the North Carolina Industrial Hemp program does not authorize or enable participants to violate United States DEA or other Federal Rules and Regulations.

NORTH CAROLINA INDUSTRIAL HEMP COMMISSION

ACKNOWLEDGEMENT

Yes I acknowledge that licensure requires approval by the North Carolina Industrial Hemp Commission. The license fees will be based upon the information submitted in this application and i Have read the fee calculation details described in item 4. I will return the signed acceptance form and on original bank check to fully pay the required fees as established in the rules for licensure within 30-Days of the date of issuance of licensure or before i take possession of the seed or transplants, whichever is earlier.
