February 2026

COMMUNICATION & TECHNOLOGY

Many of our children have been excited to show us their new Smart Watches! The CAS policy is that personal cell phones and watches are not to be used at CAS and that children are not permitted to send emails or text communications in any format. We understand how important the *location* feature is to you, so to avoid having to set additional boundaries, please click [here](#) to learn how to set the "School Time" function on your child's device. You can also review our [Technology Agreement](#) in the Parent Handbook.

CURRENT FAMILY REGISTRATION FOR

THE 2026-2027 SCHOOL YEAR

Mark your calendars! Priority registration for currently enrolled families for the 2026-27 school year is scheduled for **March 16th – 22nd**. Registration is required if you want your child to attend CAS next school year. You will receive additional details along with reminders as we get closer to the date. Check out our [website](#) for details or send questions to info@careafterschool.com.

PARENT SURVEY

Parent Survey #2 will be coming out soon. We constantly strive to make CAS a safe and enjoyable place for your children. We sincerely value your input and hope you'll complete the upcoming survey. Please be on the lookout for emails containing the link during the week of February 9th-13th.

YOUR CHILDREN ONLINE

Children are permitted to use Chromebooks or other technology during homework time at CAS. Personal devices are also allowed on specific Fridays, during our movie time. CAS requires children using devices to sit in such a way that their screens are visible to CAS staff members. Although staff members try to monitor for safe and appropriate content, it's impossible to catch everything. Please talk with your children about your family values and what is appropriate for the after-school setting.

UPDATES NEEDED

If you haven't done so already, please see your Site Director to review your current registration form, and make changes as needed. ***This must be completed and initialed by Feb. 28, 2026.***

DVDS NEEDED

We have recently had to change the way we show movies at CAS. If your family has any DVDs you are willing to donate, we would greatly appreciate it. All DVDs must be rated G or PG (after 1984), and can be given to your Site Director at any time.
