SOCIAL & EMOTIONAL LEARNING

The elementary school years are a whirlwind phase of growth and discovery. This stage is where our children begin to develop reasoning skills, understand rules, and become more self-aware. It's also a time when they seek greater independence, and test boundaries. CAS knows how important Social Emotional Learning & Development can be when helping our children successfully navigate this phase. Our focus is on self-awareness, self-management, social awareness, relationship skills, and decision making. Click [here](#) to learn some strategies you can use to help nurture your child's SEL growth.

PARENT SURVEYS: THE RESULTS ARE IN...

Thank you to everyone who completed the survey to let us know how we're doing. With 83% of our parents responding, we have a great snapshot of our program through your eyes. With an overall satisfaction rating of 95%, we are so proud of our staff members who work so hard to make CAS the best it can be! We will continue to strive to meet your child care needs and to make your family's experience with CAS a positive one. Thanks again for taking the time to provide your valuable feedback!

DID YOU KNOW?

Throughout the year, each CAS site is given the opportunity to invite outside guests to provide a fun, unique experience for the group! So far this year, some of our schools have hosted pony rides, a magician, a DJ-led dance party, Hip Hop fitness, farmers who showed us how to make apple-cider, and a group that provided games and chores from the "Homestead." Every site also enjoyed a visit from our favorite OSU STEM Professor, Dr. Bob! We also had a physical education coach come in and teach all our kids a new game called, "Ultimate Steal the Bacon." If all that wasn't enough, the high school lacrosse teams also taught our children the basics of their sport, including sportsmanship, teamwork, and many more important life skills! WOW! All this, and the year isn't over yet! Watch your upcoming calendars to see who else is stopping by to provide some end-of-the-year fun!

STAFF SURVEYS

While you were busy completing our annual Parent Survey, CAS staff members were completing a survey of their own. Each year, we gather input from all employees anonymously. Each staff member is given the opportunity to share their employment experience with CAS Board Members and Administration. **Please see page two** for some direct quotes from those surveys.

I VALUE THE EXPERIENCE AND CONNECTIONS I GET WHILE WORKING FOR THE KIDS.

I like that every day is a little different, and we get to have fun with the kids.

I ENJOY BUILDING RELATIONSHIPS WITH THE KIDS AND MAKING A POSITIVE IMPACT ON THEIR DAY.

I love building relationships with the kids and helping them improve themselves.

I love having a relationship with the kids, seeing them come in with their smiling, happy faces. And the support we get from their parents - they're great!

I love being somewhere happy where I can make a difference.

The best part of my job is creating hands-on experiences for the kids

What I love best is how everyone is included. The kids, the staff, everyone.

WHEN A CHILD SEEKS ME OUT TO TELL ME SOMETHING ABOUT THEIR DAY, THAT'S THE BEST FEELING!

I love hearing the kids' stories, building relationships with them, and helping them grow.

I love the kids. Just bringing joy to their faces, talking and playing with them.

I LOVE HOW OUR SITE JUST FEELS LIKE A BIG FAMILY!

I love helping the kids build new skills, build confidence, and engage in new activities.

If I'm having a bad day, I come to work and the children make it better just being themselves

I LOVE ALL THE NEW KIDS AND FAMILIES I GET TO MEET. TALKING AND PLAYING WITH THEM MAKES THIS NOT FEEL LIKE A "JOB."

I really love it when I break through to a child who is struggling with something.

I just love the randomness the kids bring.

SEEING THE KIDS COME IN IN, TALKING ABOUT THEIR DAY. THAT MAKES MY DAY!
