Monthly tuition rates for the 2024-25 school year will increase \$10/month for the PM program, as follows:

Full-time: \$280

Part-time 3 days/week: \$230

Part-time 2 days/week: \$190

HEALTH/SAFETY

Please make sure your child is prepared for Ohio's unpredictable March weather. Snow/Rain boots or a change of shoes & socks, hats, gloves, and coats will allow your child to be able to participate in outdoor activities while at CAS.

HOMEWORK TIME

While CAS is not an extension of the school day, we do offer a quiet time for homework for 20-30 minutes, Monday-Thursday. Children are always permitted to continue with schoolwork once this quiet time concludes. CAS is unable to provide individual tutoring, or check work for completeness or accuracy. Please ask your Site Director for more site-specific details.

SCHEDOLING CHANGE

Please note: Because of the solar eclipse and expected influx of tourist activity, Worthington School District has made the decision to close schools on April 8th. We hope you and your family can take advantage of this rare opportunity to witness a *total* solar eclipse! During this event, totality can last twice as long as in 2017. It's also set to be the longest totality on land for over a decade, so expect eclipse-chasers from around the world to visit the path of totality. As a bonus, the sun's corona during totality is expected to be huge. Worthington Schools will be passing out eyewear so you can safely view the event! DIFFERENT AGE GROUPS AND ACTIVITY TIME AT CAS

Care After School knows that our 4th and 5th graders are reaching the age when they're becoming more independent. That is why our staff members work very hard to design a calendar that includes activities exclusively for them. Many of these students have been in CAS for several years and look forward to becoming an "Older Kid." This allows them the privilege of helping plan some events for the younger group, work on more challenging activities, and have a space to themselves. We know that many of our younger children look forward to their turn to participate in these activities too! Please tell them to hang in there, they're already growing up too fast!
