NASA, Literacy and Crayola

The U.S. Poet Laureate is **Ada Limon** who has written a lovely book called **"In Praise of Mystery"**.

Crayola created a series of books and activities, I've been following. We can color, create, write and give

Create at home.

We, too, are made of wonders, of great and ordinary loves, of small invisible worlds, of a need to call out through the dark.

And it is not darkness that unites us, not the cold distance of space, but the offering of water, each drop of rain

Matthew McConaughey's book is called "Just Because"

It made me think that there are moments at the museum just like his book.

8-18 Media members

Evena and Lucy

host the first episode of their podcast

Weird But True.

Their guests, Evena's Grandma Lynn and their mutual friend Charlotte are asked to guess whether a fact is weird but true or false.

8-18 Media Director Marnie

is there to fact-check.

Do you know your Weird But True Trivia?

Play along at home and find out.
