## INTERLOCAL COOPERATION AGREEMENT

THIS AGREEMENT by and among the Brown Township, Lincoln Township, and the Brownsburg Community School Corporation, all of Hendricks County, Indiana shall be effective as of \_\_\_\_\_, 20\_\_.

### Declaration of Purpose

WHEREAS, the elected representatives of the Brown Township (“Brown”), Lincoln Township (“Lincoln”) and Brownsburg Community School Corporation (“BCSC” and collectively with Brown and Lincoln, each a “Party” and collectively the “Parties”) have decided to utilize Indiana’s Interlocal Cooperation statute, I.C. 36-1-7-1 *et seq.* (“Act”) to collaborate on a project in their mutual interest for the residents of Brown and Lincoln, and those served by BCSC; and,

WHEREAS, BCSC has determined it lacks adequate resources to maintain every current program it offers due to actual and anticipated revenue shortfalls in the coming school year(s). Among the programs it is required to perform pursuant to the McKinney Vento Act is providing transportation to school for students experiencing homelessness or other difficulties in using standard provided transportation; and,

WHEREAS, EverDriven (“EverDriven”) provides safe, reliable alternative student transportation for the BCSC, helping students with unique needs access their education every day; and

WHEREAS, through flexible, supplemental transportation, EverDriven ensures that students with disabilities, those experiencing homelessness, and others beyond traditional bus routes have a dependable way to reach school and the opportunities it provides (the “Project”). Alleviating human suffering, addressing homelessness, and supporting pathways to work via education are within or supportive of the functions of Township Government; and

WHEREAS, I.C. 36-6-4-8(b) provides that with the consent of the township legislative body, the executive may contract with corporations for health and community services not specifically provided by another government entity; and

WHEREAS, it has been determined that the best interests of the citizens and taxpayers of Brown, Lincoln and the BCSC would be served by collaborating to support the Project as it alleviates the identified human suffering, constituent need, and reduce obstacles to education which can result in future joblessness; and

WHEREAS, the Parties hereto have reached an agreement concerning the formation of a joint board, Project operations, funding and other matters.

NOW, THEREFORE, it is mutually agreed by and between the Parties:

## ARTICLE I. ADMINISTRATION

Section 1.1. Establishment of Joint Board. As required by Section 3(a)(5) of the Act the Parties hereby designate a board to act as the joint board required by the Act for the purposes of this Agreement (the "Board"). The Board shall consist of the Lincoln Township Trustee, the Brown Township Trustee, and a member of the BCSC, or a representative appointed by the foregoing. Members of the Board shall serve at the will of their appointing authority or until their term as an elected or appointed official expires. The Joint Board shall adopt a resolution establishing its officers.

Section 1.2. Alternate Rules of Governance. The Board shall be governed by its own rules or bylaws which it may (but is not required to) establish by adoption and which may be amended from time to time as provided therein. The Board may adopt and amend its bylaws in a manner that is not inconsistent with this Agreement or the Act and as it may determine to be in the best interest of the Board and the public interest. The Board is not required to formally adopt rules or bylaws and may operate by agreement of the members of the Board.

Section 1.3. Public Records. An official record of all meetings of the Board shall be maintained in the office of the Trustee of Brown Township on behalf of all Parties. Accurate memoranda of all meetings shall be kept in accordance with I.C. 5-14-1.5-4(b) and (c) and shall be available for public inspection during normal business hours. The Board shall be governed by, and all records of the Board shall be maintained in accordance with, I.C. 5-14-3 *et seq.* and other provisions of law applicable to government bodies.

Section 1.4. Meetings of the Board. Meetings of the Board may be called by the Chairman of the Board or by any two (2) members of the Board.

## ARTICLE 2. FINANCING AND OPERATION OF THE PROJECT

Section 2.1. Financing. The Project for the 2026-2027 school year shall be funded accordingly:

Brown Township: \$100,000.00 to be appropriated in the 2026 pay 2027 budget

Lincoln Township: \$100,000.00 to be appropriated in the 2026 pay 2027 budget

Brownsburg Community School Corp: All other costs exceeding the contributions pledged above.

All contributed funds shall be deemed received by BCSC and separately accounted for in a Project fund (the "Fund"). The Board may receive current balance reports from the BCSC upon written request. The BCSC shall provide the Board with a financial report on the Project at the end of the 2026-2027 school year. If the expenses of the Project are less than One Million Dollars (\$1,000,000) for the 2026-2027 school year, any excess fund shall be held and credited toward the subsequent school year as long the BCSC is required to fund the alternative transportation purpose of the Project.

Each Party shall pay its contributed sum no later than February 1 of the subsequent year after it is appropriated in the prior year. Nothing precludes any Party from paying those sums earlier.

Disbursements from the Fund shall be by claims authorized or approved by the treasurer or disbursing officer of the BCSC for the distribution of Project Funds solely for the purpose of the Project and for no other use.

Because this Agreement provides for the approval by the fiscal bodies of Brown, Lincoln and BCSC, and delegates to the BCSC treasurer or disbursing officer the duty to receive, disburse, and account for all monies of the undertaking, no approval of the Indiana General Attorney is required, as provided for by I.C. 36-1-7-4(a).

Section 2.2. Ownership, Use and Management. The Project shall be owned, operated and maintained by the BCSC. All other costs, maintenance or operations beyond the contribution schedule shall be borne by BCSC. The Parties acknowledge this is not a joint venture, partnership, or joint undertaking and BCSC shall provide adequate insurance to address and defend any or all claims that arise from the Project, name each Party as covered parties under policies of insurance, and indemnify, defend and hold harmless Brown and Lincoln, and their respective officers, agents, representatives, elected and appointed officials, and employees (collectively, the "Indemnitees"), for any and all claims or casualties that may arise from the Project, and forever release the Indemnitees or their successors, agents or officers from any claims that the BCSC may have as a result of the Project.

Section 2.4. Compliance with Laws. BCSC shall be solely responsible for compliance with all local, state and federal laws, regulations, ordinances and codes related to the Project and shall indemnify the other Parties from any claims or damages related to noncompliance of any nature whatsoever.

### ARTICLE 3. REAL AND PERSONAL PROPERTY

The Board shall not acquire, hold or dispose of real or personal property used in this joint undertaking and any property acquired or held for the Project shall be held in the name of BCSC for use by the Parties as provided in this Agreement.

### ARTICLE 4. DURATION, AMENDMENT, WITHDRAWAL AND TERMINATION

Section 4.1. Duration. This Agreement shall continue as the binding agreement of the Parties. Payment of the Parties' respective contribution shall be subject to appropriation by each Party's legislative body and entering this Agreement shall in no way require the Parties to appropriate these funds in future years beyond 2026 pay 2027 which future appropriations shall be in each Parties' sole discretion. This Agreement shall expire in three (3) years unless otherwise extended by each of the Parties.

Section 4.2. Amendment. The Parties may, from time to time, alter, change or amend the terms and conditions of this Agreement by an amendment in writing making specific reference to the document as an amendment to this Agreement, approved and executed by each of the Parties in the same manner as this Agreement was originally approved, unless otherwise specifically provided for herein. Any amendment or modification of this Agreement shall take effect immediately upon the approval of the last of the Parties to approve such amendment or modification and upon recording of the amendment as required by I.C. 36-1-7-6, or at such other time as is specifically designated in the amendment or modification.

#### ARTICLE 5. POWERS, PRIVILEGES AND IMMUNITIES OF THE BOARD

The Board shall have all the powers, privileges and immunities granted under this Agreement, the Act and other applicable law.

#### ARTICLE 6. REMEDIES, WAIVER AND IMMUNITY

Under no circumstances shall any Party have a right to any other remedy, including but not limited to rescission, cancellation or reformation of this Agreement for any reason, or monetary damages of any kind. However, under no circumstance shall a Party have the right to seek injunctive relief requiring that a Unit appropriate money in a future year beyond 2026-2027.

May 14, 2026

Dear Township Board Members,

On behalf of Brownsburg Community School Corporation (BCSC), I would like to thank you for your continued partnership and support of our schools and community. As we continue navigating significant financial challenges facing public education in Indiana, I am reaching out regarding an area of mandated service that has created substantial and increasing costs for our district — transportation services provided under the McKinney-Vento Homeless Assistance Act.

As you may know, the McKinney-Vento program is a federally mandated requirement that school corporations must comply with to support students and families experiencing homelessness or temporary displacement. Under this law, school districts are required to provide transportation for eligible students so they may remain in their school of origin, even when their temporary residence is located outside district boundaries.

BCSC currently supports approximately 60–70 students annually through the McKinney-Vento program. Importantly, the district receives no additional funding to offset the transportation costs associated with these services. To remain fiscally responsible, BCSC utilizes a contracted car service for students residing outside district boundaries, as this option is significantly more cost-effective than operating traditional bus routes. This service is the most cost-efficient service BCSC could find and will spend approximately \$315,000 this school year on transporting students in the McKinney-Vento program.

Given the growing financial pressures on school corporations, BCSC is respectfully requesting support transportation costs associated with the McKinney-Vento program. This partnership between the school corporation and our local townships, combined with the potential allocation of TIF dollars from the Town of Brownsburg, would provide meaningful short-term relief and help BCSC avoid pursuing an operating referendum on the 2026 ballot.

It is important to emphasize that BCSC is not simply seeking additional revenue without first addressing expenditures internally. The district has already identified and implemented approximately \$3.3 million in reductions for the 2026–27 school year and anticipates an additional \$3.8 million in reductions for the 2027–28 school year.

The request being made to the township is intended as a temporary stop-gap measure while school leaders across Indiana continue working with legislators during the 2027 legislative session to pursue a long-term solution related to declining property tax revenues and school funding stability.

Additionally, should BCSC successfully avoid a referendum in 2026, the community would be guaranteed no referendum tax increase through at least 2028. If a referendum were ultimately pursued in November 2028 and approved by voters, BCSC would agree not to accept township funding beginning in 2029.

We greatly value the relationship between BCSC and our township partners and appreciate your consideration of this request. Together, we can continue supporting some of our community's most vulnerable students while working collaboratively to maintain financial stability for our schools and taxpayers.

Sincerely,

Shane Hacker  
Assistant Superintendent  
Brownsburg Community School Corporation
