

Below is information we received from the City of Nampa regarding the proposed roundabout at Locust and Southside. Please take the time to participate in the survey. Things you need to know based on a little digging:

1. There are approximately 1,500 children who attend the 3 schools within less than a 1 mile radius of that intersection
2. There are over 1,000 homes in less than a 1 mile radius

---

The City of Nampa invites the community to comment on 14 proposed intersection. Preliminary designs and planning efforts are underway and the City of Nampa staff, Mayor Kling and Nampa City Council would like public input on infrastructure improvement options, including roundabout or signal preference, for the following intersections:

1. Kings Rd & Victory Rd (FY21-22)
2. Franklin Blvd & Industrial Rd (FY22-23)
3. Garrity Blvd & Kings Rd (FY23-25)
4. Garrity Blvd & 39th Ave N (FY23-24)
5. Midland Blvd & Greenhurst Rd (FY27)
6. Midland Blvd & Iowa Ave (FY22-23)
7. Idaho Center Blvd & Cherry Lane (FY21-22)
8. Franklin Blvd & Birch Lane (FY22-23)
9. Northside Blvd & Cherry Lane (FY25)
10. Franklin Blvd & Cherry Lane (FY28)
11. Franklin Blvd & Karcher Rd (FY22-23)
12. Northside Blvd & Karcher Rd (FY23-26)
13. Southside Blvd & Locust Lane (FY27)
