BETWEEN JUNE 2 -
AUGUST 29, 2025

WHAT DO I NEED TO DO BEFORE CHIP SEALING?

Trim trees & shrubs on the curbside. Trees must be pruned 14 ft. above the street and clear of the sidewalk.

Temporarily set irrigation times to water between 6 pm - 12 am. Moisture on the road prevents oil from adhering to the street. All non-compliant residents will be subject to fine (Idaho Code 18-3908).
