

Pull-Off Productions

Dear Future Sponsor,

Hi, I am Joey Radel, owner and director of Pull-Off Productions. I was born and raised around Truck and Tractor pulling my whole life, and both sides of my family were pullers. The older I got, the more my passion grew for this sport. My goal is to put on Truck and Tractor pulls not only for the pullers, but also for the fans to be entertained and to show them how great this sport is. I want to grow this sport just like many people want to grow their business. While doing all this, having sponsors by my side to help put on these events is an opportunity for me to get your name out in front of the fans and pullers. With the help of sponsors, I want to do everything I can to help give back to your business.

In 2026 we are planning to be even bigger than 2025. As we host Truck and Tractor pulls here on the East Coast of Pennsylvania, New Jersey, and Maryland. Our goal is to grow the sport and are very excited for this upcoming season! As we want to not only grow this for the pullers and fans, but also find ways to get the fans and kids involved.

During this great time, your business would provide great help in (donation/sponsorship), and in return we would promote your company at our events, using banners at the track, put your company logo on posters, social media platforms, videos, etc.

With you by our side at this upcoming season, we would achieve great success this season and for the following future.

If your company is interested in being an official sponsor, please reach out to me [Joey Radel: cell (570)-765-9649; email pulloffproductions@gmail.com]. We can't wait to hear back and hope we can help each other out! Thank you!

Sincerely,

Director of Pull-Off Productions

Joey Radel
