

## **King of the Farm**

- 1.** Weight: 12,000lb
- 2.** 16 MPH (16.1 mph will result in a DQ) Speed board will be required at the event with this class
- 3.** 3,000 RPM. (Any tractor found to be over the allowed RPM limit will be disqualified.) Tractor must have an ISSPRO single magnetic pickup attached to the front of the engine to measure engine RPM's. The lead from the pickup to the rear of the tractor is to be made of 14-16 gauge wire attached to a 110V, 3-prong female electrical outlet. The 2 wires from the pickup need to be attached to the 2 main spades, not the ground spade, of the electrical outlet. This outlet receptacle needs to be mounted next to the rear mounted air shutoff cable. Wire must be one continuous wire that is visible with no splices. If you compete at sanctioned events with Pull-Off Productions, this system must be attached and in working order.
- 4.** No cubic inch limit
- 5.** Wide Front end only
- 6.** Side Shields
- 7.** Roll Bar or Cage
- 8.** DOT Helmet
- 9.** Ag Tires only. Sizes 18.4 / 20.8 - 38 or 42 only (no cut tires)
- 10.** Air Shut Off required
- 11.** Tractor must have an operator controlled fuel shut-off valve (not the injection pump shut-off).
- 12.** Wheelie Bars Required. ( See general rules for)
- 13.** Turbo size 2.8 (T-4 base)
- 14.** Seat belt Required. (Five-point harness and helmet required with a roll cage)
- 15.** Driver must wear long pants and leather work shoes.
- 16.** Cross bolts (2 – 3/8" grade 5) 90 degrees to each other as close as possible to turbo flange, or exhaust wheel cage in the exhaust.
- 17.** Stock Wheelbase
- 18.** Chassis rules follow Ag stock chassis, engine and frame configuration.
- 19.** Steel flywheel or MUST have a clutch blanket. (Steel flywheel will be MANDATORY in 2026)
- 20.** Drawbar height 20" maximum. Drawbar length no shorter than 18" from center of rear axle. Drawbar must be rigid with no movement allowed. (No vertical hitches or clevis allowed). Built pulling hitches are allowed.
- 21.** No weights passed the rear tires
- 22.** Motor driven fans must be shrouded.
- 23.** No water injection, No intercoolers
- 24.** Newer Electronic tractors allowed as long as they meet all other rules.
- 25.** Minimum Age for this class 16
- 26.** Points will be rewarded to all pullers signed up. Tractor must be at the pull to receive points. If tractor is DQ'ed for speed, out of bounce, or lose of weight, they will receive LAST place points and can not use that hook as a drop hook. If tractor is DQ'ed for RPM's, illegal equipment, overweight, hitch, etc., they will receive ZERO points. One drop hook will be given at the end of the season and will be used on the lowest points hook weather it's a 0 or 40, but can't use a drop hook to go to another pull. (Any DQ can NOT be used as a drop hook).
- 27.** Pull-Off Productions reserves the right to make any changes to these rules.
- 28.** Rules will be in place for 3 years. (Next rule meeting will be for the 2028 season)
