PROPOSED ORDINANCE

155.15 ACCESSORY BUILDING. All accessory buildings, other than a garage, must be in the back yard. For this section the back yard area is from a horizontal line created by the principal building's rear façade to the side lot line to the rear lot line. The accessory building must be six feet from any part of the main dwelling or other structures to allow for maintenance and fire safety. The accessory building should be erected no closer than eight feet to the rear or either side lot line.
