

Grills & Fire Code Requirements

Cooking on Balconies

The Florida Fire Prevention Code prohibits any cooking on a balcony of an apartment or condominium. The only exception is for **electrical** cooking appliances such as electric ranges or electric grills.

Storage of L.P. Gas or Gas Grills

The Florida Fire Prevention Code also prohibits the storage or use of L. P. gas in quantities greater than 1 pound above the first floor in any apartment or condominium. Therefore, L. P. gas grills cannot be stored on a balcony. It is important to note that L. P. gas cylinders cannot be stored inside the residential unit or anywhere above the first floor.
