During such period liens may arise or be created only against the several condominium parcels.

15.2. Labor performed or materials furnished to a unit shall not be the basis for the filing of a lien pursuant to the mechanics' lien law against the unit or condominium parcel of any unit owner not expressly consenting to or requesting the same. No labor performed or materials furnished to the common elements shall be the basis for a lien thereon, but if duly authorized by the association such labor or materials shall be deemed to be performed or furnished with the express consent of each unit owner and shall be the basis for the filing of a lien against all condominium parcels in the proportions for which the owners thereof are liable for common expenses.

15.3. In the event a lien against two or more condominium parcels becomes effective each owner thereof may relieve his condominium parcel of the lien by payment of the proportionate amount attributable to his condominium parcel. 792 N 30

18.3. Owners of each unit shall collectively be entitled to one (1) vote in accordance with voting privileges set forth in the Bylaws attached hereto as Exhibit "B".

19. ASSESSMENTS.

19.1. 19.2. The annual assessment for each fiscal year against each unit is set forth in paragraph 5 above. Such assessments shall be due in quarterly installments on the first day of each quarter of the year for which the assessments are made, but the Board of Directors has the power to establish other collection procedures. In addition, the Association has the power to levy equal special assessments against each unit if a deficit should develop on the treasury for the payment of common expenses.

20. SALE, RENTAL, LEASE OR TRANSFER.

20.1. Prior to the sale, rental, lease or transfer of any unit to any person other than the transferrer's spouse, the unit owner shall notify the Board of Directors of the association, in writing of the name and address of the person to whom the proposed sale, rental, lease, or transfer is to be made, and such other information as may be required by the Board of Directors, within ten (10) days, the Board of Directors shall either approve or disapprove of the proposed sale, rental, lease or transfer, in writing, and shall notify the owner of its decision.

20.2. In the event the Board of Directors fails to act, or disapproves of the proposed transaction, and if the unit owner still desires to do so, he shall, fifteen (15) days before such sale or transfer, give written notice to the secretary of the corporation of his intention to sell, rent, lease or transfer on a certain date and the bona fide price and other terms thereof, and the association shall promptly notify its members of the date, price and terms. The members of the association shall have the first right over non-members to purchase or lease on the terms and conditions contained in the notice provided that they so notify the secretary of the association in writing at least ten (10) days before the date of the intended sale, which information the association shall promptly forward to the owner. In the event the member giving notice receives acceptance from more than one member, it shall be discretionary with the member giving notice to consummate the sale with whichever of the accepting members he chooses. If no written notice accepting the price and terms is received from any other member, the selling member may complete the sale on the day and at the price and terms given in his notice. If he fails to comply with the terms hereof any other member shall have the right to redeem from the purchaser, subject to his reimbursing the purchaser for any moneys expended, and immediately after such reimbursement the purchaser shall convey all his right, title and interest to the member making the redemption.

20.3. Institutional mortgagees acquiring title to any unit, either by foreclosure or voluntary conveyance to avoid foreclosure, shall be exempt from the provisions of paragraphs 20.1 and 20.2.

- g. Conform to and abide by the Bylaws and uniform house rules and regulations in regard to the use of the unit and common elements which may be adopted in writing from time to time by the Board of Directors of the association, and to see that all persons using owner's property, by, through or under him do likewise.

n. Except for ground floor apartments, carpet fully all floor areas, including a standard commercial underpadding, except for bathrooms, kitchens and storage rooms.

o. Not use condominium garages for any other purpose except the protection of passenger vehicles. Nothing except passenger vehicles may be kept, placed, or stored in condominium garages, nor may any closets or shelves be built in any garage other than those forming the basic condominium structure.

22. ENFORCEMENT OF MAINTENANCE. In the event the owner of a unit fails to maintain it as required above, the association or any other unit owner shall have the right to proceed in a court of equity to seek compliance with the foregoing provisions; or the association shall have the right to assess the unit owner and the unit for the necessary sums to put the improvement within the unit in good condition. After such assessment, the association shall have the right for its employees or agents to enter the unit and do the necessary work to enforce compliance with the above provision.

23. DESTRUCTION OF IMPROVEMENTS AND INSURANCE.

23.1. The association shall obtain fire and extended coverage insurance insuring all of the insurable improvements within the condominium property for the full insurable value thereof, and the premium for such coverage and all other insurance deemed desirable by the association shall be assessed against the owners of each unit as heretofore provided.

23.2. In the event a loss occurs to any improvement within any of the units alone, without any loss occurring to any of the improvements within the common elements, payment under the policy shall be made to the members owning such units and their mortgagees as their interest may appear, if there be mortgages on said unit, and it shall be the duty of those members to effect the necessary repairs to the improvements within their respective units.

23.3. In the event that loss occurs to improvements within units and the contiguous common elements, or to improvements within the common elements alone, payment under the policy shall be made jointly to the association and to the holders of mortgages in the units, and the proceeds shall be expended or disbursed as follows:

a. If the mortgagees agree, all payees shall endorse the insurance company's check to the association, and the association will promptly contract for the necessary repairs to the improvements within the common elements and within the damaged units, in such event should the insurance proceeds be sufficient to repair the improvements within the common elements but insufficient to repair all of the damage within the units, the proceeds shall be applied first to completely repair the improvements within the common elements and the balance of the funds shall be apportioned to repair improvements within members' units in proportion to the loss sustained to improvements within said units as estimated by the insurance carrier, and the members owning interest in units containing damaged improvements shall be subject to a special

assessment and shall contribute to the association the remaining funds necessary to repair and restore the improvements within their units.

b. In the event all mortgagees do not agree to the endorsement of the proceeds as provided in subparagraph a above, all payees shall endorse the insurance company's check to the institutional first mortgagee owning and holding the oldest recorded mortgage encumbering any unit, which mortgagee shall hold the insurance proceeds in escrow and the escrow agent (should there be no institutional first mortgagee or not with legal capacity to perform such escrow, then the payees shall endorse the insurance check to the association, as escrow agent) shall disburse funds as follows:

(i) In the event the insurance proceeds are sufficient to rebuild and reconstruct all the damaged improvements within the common property and within the units, and provided all institutional first mortgagees, if any, agree in writing to such application of the insurance proceeds to this purpose, the improvements shall be completely repaired and restored. In this event the association shall negotiate and obtain a contractor willing to do the work on a fixed price basis and who shall post a performance and payment bond, and the escrow agent shall disburse the insurance proceeds and other funds held in escrow in accordance with the progress payments contained in the construction contract between the association and the contractor, which contract shall be subject to the prior written approval of the escrow agent.

(ii) In the event institutional first mortgagees unanimously agree to have the insurance proceeds applied to reconstruction but the insurance proceeds are not sufficient to repair and replace all of the improvements within the common elements and within the units, a membership meeting shall be held to determine whether or not to abandon the condominium project or to levy a uniform special assessment against each unit and the owners thereof as their interests may appear, to obtain the necessary funds to repair and restore the improvements within the common elements and the units. In the event the majority of the voting members vote in favor of a special assessment, the association shall immediately levy such assessment and the funds received shall be delivered to the escrow agent and disbursed as provided above. In the event the majority of the voting members are opposed to the special assessment and vote for abandonment of the condominium project, the insurance proceeds shall be disbursed in accordance with the paragraph above, and the condominium project shall be terminated as hereinafter provided.

23.4. If there has been loss or damage to the common elements and the insurance proceeds available are inadequate to repair and reconstruct same and all of the units, and if the majority of the voting members vote against levying the special assessment referred to above and vote to abandon the condominium project, same shall be abandoned in accordance with paragraph 12 above. As evidence of the members' resolution to abandon, the president and secretary to the association shall effect and place in the public records of the county an affidavit stating that such resolution was properly passed to which a copy of the consent of the unit owners and holders of all liens shall be affixed.

23.5. In addition to the insurance coverage specifically mentioned hereinbefore, the association shall obtain insurance which shall cover risks of all types affecting the common elements. Liability insurance, in an amount to be determined by the Directors of the association, shall also be obtained on the common elements,

provided, however, said amount not be less than \$300,000.00 and, provided, further, that said liability coverage shall name both the association and each unit owner as a named insured.

23.6. Under all circumstances the association hereby has the authority to act as the agent of all owners for the purpose of compromising or settling insurance claims for damages to improvements within the units or common elements.
