Precision Promise

For quilt tops that color outside the lines—but still deserve to shine. Not every quilt top is born perfect. Maybe it's got a wavy border, a few unruly seams, or a bit of "creative interpretation" in the piecing. We get it—and we've got you. **Precision Promise™** is our way of saying: no judgment, just extra attention. This service includes a hands-on evaluation, careful loading, tension monitoring, and adaptive quilting techniques to give your top the best possible finish. It's like a spa day for your fabric baby—with a licensed quilter on duty.

Payment & Agreement

We accept cash and all major credit cards, including Apple Pay. Checks, Venmo, PayPal, and money orders are not accepted. Invoices are emailed for online payment; local customers may also pay in the studio by tap or chip. Payment must be received before quilts are returned or picked up.

If this quilt is entered in a show, credit must be given to Chelsa Barton of Colorway Collective for the quilting. Please notify Chelsa within one month of any recognition or award. You also grant permission for photos of your quilt to be taken and shared.
