A graphic scale bar with a total length of 160 feet. It is divided into four equal segments of 40 feet each. The first and third segments are black, while the second and fourth segments are white. Above the bar, the labels '80'', '0'', and '80'' are positioned at the left end, the center (between the second and third segments), and the right end, respectively.

$$1'' = 80'$$
