

ALABAMA BETA 2022: HOT, WET, BAMA SUMMER

THE BENEFICIARY

Coosa Riverkeeper works to protect, restore, and promote the Coosa River and its tributaries in Alabama through patrolling the waters, educating the public, and advocating for the river.

Our organization works to answer the simple questions like “is it safe to swim?”, “are the fish safe to eat?”, and “what can I do to make the Coosa healthier for my community?” to ensure the public is aware of issues that impact the river, recreation, public health, and property value.
