#MANCHURCH2024 is the collective effort of churches and pastors to provide long-term solutions to spiritual and social issues affecting men.

Our Ultimate Goals

1. Revive men who are in church.
2. Reclaim men who are not in church.
3. Restore men to their appropriate places in the family, the church, and the community.

Registration is free. Men are asked to be present at 6 PM. Women are welcome to share in the Family Worship Hour at 7:15 PM.

Professional childcare is available.

Our special musical guest will be awarding-winning Gospel recording artist, Vashawn Mitchell. Our keynote speaker will be Dr. Phillip Pointer, pastor of the St. Mark Baptist Church in Little Rock, Arkansas.
