

**Luke Roux Foundation's
Impaired Driving Prevention PSA Scholarship**

ONE CHOICE can change everything.

**Your voice can help prevent impaired driving
and save lives.**

Scholarship Overview

The Luke Roux Foundation is pleased to offer the **Impaired Driving Prevention PSA Scholarship** to support Connecticut students who are committed to raising awareness about the dangers of impaired driving and promoting safer choices among young adults.

A \$1,500 scholarship will be awarded to the student who creates the most compelling and original **public service announcement (PSA) video** focused on preventing impaired driving among young adults

This scholarship is open to Connecticut high school seniors who will be continuing their education for the 2026-2027 academic year. **Application Deadline:** June 20, 2026
Scholarship Recipient Announced: August 1, 2026

Why This Matters

Impaired driving continues to be one of the leading causes of preventable injuries and deaths among teens and young adults. Despite increased awareness, too many families still experience the life-altering consequences of one decision made behind the wheel.

The Luke Roux Foundation created this scholarship to honor Luke's life and to amplify young adult voices in preventing impaired driving. By encouraging students to speak directly to their peers, this scholarship uses education, creativity, and real-world impact to help save lives and keep families whole.

About the Luke Roux Foundation

The Luke Roux Foundation was established in memory of Luke Roux, whose life was tragically taken by an impaired driver. The Foundation is dedicated to preventing impaired driving, supporting education and awareness initiatives, and advocating for solutions that save lives.

Despite increased awareness, impaired driving continues to be a leading cause of serious injury and death among teens and young adults. Through this scholarship, the Foundation seeks to empower students to use their voices and creativity to influence peers and promote responsible decision-making.
