

Subject: Sponsor Request: Help Us Grow The Judging Roster for the 2026 Grand National

Dear Region Director and the Region Board,

On behalf of the **NY–CT Two Rivers Region of the Cadillac & LaSalle Club**, I'm introducing and inviting your region to help us make the upcoming **CLC Judges' Workshop** a success, while directly growing the judging capacity that benefits **all** regions and the **2026 Grand National**.

What & When:

CLC Judges' Workshop: Saturday, April 18, 2026

Resorts World Catskills – Hotel & Casino (Monticello, NY)

Led by **CLC Chief Judge Fred Butalla** with members of the **CLC Judging Committee** Timed just **six weeks before the 2026 Grand National** (Embassy Suites, Concord, NC located near Charlotte Motor Speedway). This isn't "a day at school." It's a **friendly, hands-on** day with like-minded Cadillac enthusiasts learning how judging works, practicing together on **four classic Cadillacs**, and building relationships that last well beyond the workshop. Many attendees won't be judged yet, some are owners who want to prepare their cars for GN. Everyone leaves with sharper eyes and more confidence.

Our request (simple and specific):

1. **A small regional donation** to offset room, materials, and meal costs.
 - Suggested amounts: **\$50, \$100, or \$150** (any amount is appreciated).
2. **Complimentary ad placement** in your **newsletter and/or website** from **January through April 2026** (we'll provide ready-to-run artwork/copy and a QR link).

Why it helps your region and the national club:

- **More trained judges** in the pipeline for GN and local shows.
- Members gain **practical skills** they bring back to your region, improving fairness, consistency, and prep guidance.
- **Cross-region friendships** that boost attendance and cooperation at future events.
- **Positive visibility** for regions that support the broader judging program.

How we'll recognize supporting participating regions:

- "Supporting Regions" listing on our **long lasting highly visible workshop web page** (year-round).
- Acknowledgement on **event signage** and during the workshop **opening remarks**.
- Inclusion in the **post-event summary** shared with CLC communications.
- An area for your region to set up some recruiting information, this event will be marketing thru the self starter magazine and direct email to members in our area (this is a great opportunity to pick up some national members not currently part of a local region)

Next steps (quick):

- Donation: Use link below for paypal or mail a check to to address listed below
- Ad placement: we'll send **web & print-ready files** (plus a short blurb) for your January issue/updates.
- Questions or materials: reply to this email or contact me directly.

If you know of another business or person who might be interested in supporting this great event please forward this email request to them. Thank you for considering this small boost that creates a big return for our members and the national program. Helping folks learn to judge together keeps the CLC strong!
