2019 Queen Order Form

Our Queens are raised from our local stocks. They are grafted from hand selected breeder stock, mated in apiaries of specific genetics to ensure the specific characteristics. Our breeder queens have been tested at 87% chewing trait. The drone producing colonies have also been tested for chewing behavior.

Terms and Conditions

Baldwins Bee Bizz guarantees the queens are alive when they leave our apiary. Packages are shipped with food, water and enough bees to take care of the amount of queen(s) in the order. **DO NOT OPEN THE PACKAGE AT THE POST OFFICE, ATTENDANT BEES ARE LOOSE AND WILL FLY OUT!** Insurance will be purchased at your expense upon your request only. We cannot guarantee how the package(s) will be treated during transport or delivery. We also cannot guarantee that your bees will accept the new queen(s). Once the queen(s) leave our property we cannot guarantee their safe arrival or their survival in your hive.
