Dear Mr. Azimi:

The Franchise Tax Board (FTB) has accepted the entity's Offer in Compromise (OIC) for the above mentioned liability. This letter serves as confirmation of acceptance and should be retained for your client's records.

We have made all necessary adjustments to the account.

Please note that this OIC covers only the final tax liability listed above. Any additional liabilities, which may be assessed or become final after the date of this letter, shall not be covered by this OIC.

If your client went through the formal registration process with the Secretary of State (SOS) then please be advised that in order to dissolve/cancel your client will need to complete the formal dissolution/cancellation process with the SOS. Failure to do so may result in future filing requirements, penalties assessed by the FTB or SOS, and rescission of the OIC. For more information, go to the SOS website: www.sos.ca.gov or contact them directly at 916-657-5448.

If you have any questions, please contact me at 916.845.5520.

Sincerely,
