Display Quality Prints from Digital Files

We can now print directly from your digital files, onto archival Ilford Galerie fine art papers. There is a large range of papers available, and prices vary depending on surface, paper base type and thickness. The below prices are for prints on Ilford Galerie Gold Fibre Pearl or Gold Fibre Gloss, 290gsm archival papers, with a thin white border.

Please advise file names, sizes and any other considerations under Special Instructions.

Photos are individually calibrated and checked, but we encourage you to come in and preview the work to obtain the best results.
