Happy Birthday, Dr. Seuss!

Why We Do “Show & Tell”

Show and Tell is an important classroom activity during which children show and tell about something special they have brought from home. To develop language ability and self-confidence, we encourage the children to speak about their *Show and Tell* item to the other children, not to just us.

We ask the other children to listen to each other carefully and to raise their hands before asking questions. In class we try to ask questions that can't be answered with simple “yes” and “no” answers. For example, we might ask “How long have you had this?” or “Where did you get this?” This helps children develop critical thinking skills.
