

## How you can help

If you would like to support a first responder, other critical incident responder, military member, veteran or their loved ones in need of Arena EMDR or other equine therapies, please consider a contribution to The Stable Arena's Sponsorship and Scholarship program. \*

*While these contributions are not tax deductible, you will be sending a clear message of support, respect and value for their daily service and sacrifice.* Insurance for these groups does not cover the cost of equine assisted EMDR, yet it is often the therapy of choice to meet their needs.

All contributions will be used specifically to *offset out of pocket costs* for Arena EMDR therapy or other equine therapy that is determined to be clinically necessary for the individual client and/or family member(s) in one of the above categories, *or for events* that support mental health and suicide prevention awareness.

**Sponsorships** will include sharing the news of your generosity and contribution to this important cause. This information may also be used at events, presentations, educational programs and other public engagements.

**Scholarships** are contributions that are made in any amount *without* a request for recognition or sponsorship acknowledgement. This includes requests for anonymous contributions.

**Services & Other Support** are also very useful. Examples include:

- Photography & Videography
- Equipment for the horses, events, & promotional purposes
  - Signs, Banners, Canopy Tent
  - Horse Toys & Treats
  - Storage
  - Folding wagon for loading & moving equipment
  - Refreshments for events & client sessions
  - Promotional items or "swag" (hats, pens, etc.)

Use of all **Scholarship & Sponsorship** funds is provided on a first come, first serve basis to those who demonstrate a need for treatment, as well as a commitment to complete services. The funds used toward services for these individuals will be awarded at the discretion of The Stable Arena, based on the amount of funds available and in consideration of any specified requests from contributors.
