RULES FOR WATERCRAFT STORAGE

1. The Koa Lagoon watercraft storage area is only for watercraft; other items are prohibited and will be removed.
2. Owners may store a watercraft in the storage area only after signing a Liability Waiver and Release form proved by the Resident Caretaker, at which time they will be given the combination to the gate lock.
3. Owners may not let rental guests use their personal watercraft because of liability issues.
4. Each unit is limited to storage of only one watercraft.
5. Rental guests in the Koa Lagoon Rental Program may rent watercraft and use the storage area on a short-term basis after signing a Liability Waiver and Release form, provided by the rental manager; they must provide their own security device inside the enclosure.
6. Quiet hours of 9 AM to 8 AM must be observed when accessing the storage area.
7. Items unused for a period of two years will be considered abandoned and will be removed.
