## OUR PRESIDENT'S MESSAGE

By the time you read this, you will probably know that the HOA general meetings have been changed to the first Wednesday of each month at 6:30 PM. We will be serving Pizza at 6:00 PM at the February meeting. Please sign up at the HOA bulletin board (to the right of the office front door) so we'll know how many pizzas we need.

The exit doors from the gym have been correctly installed along with the gate to the pool area.

Tree House (A.J.) is purchasing 10 solar motion lights, HOA is also purchasing 10 solar lights to help with the security of the Park.

Jane Wisslead has taken on a position as activities director. She will also be acting as a Reporter at Large for the Sandscript so if you have something of interest, please contact her. (951 - 525 -2963).

2023 is starting some new committees with new and old projects. If you would like to volunteer or help, please contact one of the board members.

The HOA now has 9 new committees and we are in the beginning stages of meetings and selecting Chair persons. The Committees are as follows:

HOA Activities; Feral Cat Fund; Fundraising; Helping Hands; Membership; Park Beautification; Phonebook; Resident Safety/Emergency Response; Welcome/Sunshine.

As Chair Persons names are submitted to Rhonda Peterson, Secretary HSCC HOA, we will post names and contact information in the HOA glass cabinet to the right of the Treehouse office. This is also where you can continue to sign up to be on a Committee - WE NEED YOU!

### COMMITTEE ACTION ALREADY TAKEN:

The PHONE BOOK COMMITTEE is ready to print the 2023 Directories. These will be distributed to ALL Hidden Springs CC Residents.

The PARK BEAUTIFICATION COMMITTEE met and has many "to do's" to elevate Hidden Springs Country Club to higher standards.

More will be revealed in future Sandscripts!

## Kudos Korner

---

Hidden Springs has so many hidden angels, quiet heroes and just plain nice people. Most of the time they go unnoticed and unthanked. We're going to do our best to change that the best we can. But we need your help.

If you see someone doing something out of the ordinary, unasked, unanticipated, not needed - tell us. And we, collectively, will thank those angels, heroes, nice people. Email what you saw and who you saw to [docsimpson2@gmail.com](mailto:docsimpson2@gmail.com) and it will show up in the next Kudos Korner from us all!

#1 THANK YOU!!!! PATTY DARK #302 for expressing your grave concerns about the main gate and 2 gym doors at the Clubhouse. The Main Gate opened IN and in an emergency would be a major problem trying to get residents OUT. The 2 doors in the gym opened out but had huge bolts top and bottom that were impossible to open. ALL 3 doors have been fixed. Thank you Treehouse for taking care of this safety issue.

#2 THANK YOU, AJ (Treehouse) for beginning to bring in gravel to the vacant lots in our community. It cuts down on blowing sand AND looks so much better to residents and visitors alike.

## NEW WOMEN'S GOLF SCHOOL

"Hit and Giggle"....defined as any of various sports, such as golf, "played on a small scale or in a non-competitive way".

I feel that this is how we learn to play golf and have some fun. You can keep your own score, or not.

Are you interested in such a group?

Then the "Hit & Giggle Women's School of Golf" will open on Saturday, January 14th at 11:00am! If you are interested, please contact Peggy Verkest, Space 300, at 949-870-2893, or [pegverkest@yahoo.com](mailto:pegverkest@yahoo.com).

## GSMOL SPEAKS

HAPPY NEW YEAR TO ALL MEMBERS AND RESIDENTS OF HIDDEN SPRINGS C.C. The new year brings some new Laws to Manufactured Home Owners. All residents should have a copy of MOBILEHOME RESIDENCY LAWS and HSCC RULES & REGULATIONS available to address any concerns. Enforcing our R&R's and the MRL are up to us. If you have concerns contact your HOA. Remember they cannot address our Park concerns IF they don't know them.

GSMOL reminds us -- we have rights - organize and unite, do not be intimidated. Remember our HOA is here to help with our concerns and provide us with activities and events. Our Rules and Laws are for each of us equally. With all of us united and organized we will have the MH community we enjoy for all.

Shirley Bales GSMOL Pres. Chp.

## **GOLF HIGHLIGHTS 2022**

The Men's and Women's golf season got off to a good start with the Divorce Tournament on Nov. 8th & 9th and 36 golfers. The winners were: Low Gross: Keith and Barb Jensen; Low Net: Leon Gutierrez and Dena Grasdahl.

On Dec. 6th & 7th, we held the Memorial Tournament, also with 36 golfers. The winners of that tournament were: Diane Mohr and Don Fors.

Christmas Morning, the much anticipated Christmas Breakfast was, again, held at Rex and Diane's house with 50 happy participants. The golf tournament held thereafter, held by Fred and Trudy - Oh what fun! That was won by Annie Hall, Kay Anderson and Wendy Shewchuck. Everyone was a winner that day!

The Flag Tournament One Dec, 31st, also an annual event you should not miss, was won by Ann Hill (1st); Trudy Rockwood (2nd) and Lori Walch (3rd).

We did have a Horse Race as well with the winners being Earl Hill and Dena Grasdahl.

We thank the participants and the people who did all the hard work to make all of this happen. We could not have had all this fun without you!

## **Hidden Springs Library**

Barb and I both so much enjoy our jobs as the HSCC Librarians, even though we wish the number of people using the library were greater. However, each month we wrestle over who is going to write the article for this month's Sandscript. Barb won this month and so it is my turn.

Recently I read a book by Louise Penny. I don't recognize the book I read among the titles of hers in our library, nor do I find it among the book on my Kindle app but I remember it well and I enjoyed it greatly.

This column is supposed to be about books. However, what has prompted me to write this is a series on Amazon Prime by Ms. Penny called The Three Pines. It is a detective series centering around the Chief Inspector Gamache who works for the Sûreté du Québec, kind of the Scotland Yard of Quebec. The acting is good, the stories well written and the mysteries intriguing.

Ms. Penny is Canadian. One reason that I enjoy her writing is it's familiarly North American but distinctly Canadian. Her characters are largely French Canadian or Indigenous and that lends another layer to the story, something unfamiliar and informative. If you don't have Amazon Prime to see this series, please come and borrow one of her books from our exquisite library. I think you will enjoy it.

We wish you all a happy and prosperous New Year. Barb O'Connell and Peter Losee
