### Sandscript Presidents Message 3-1-22

This past month has been very busy at Hidden Springs, please note the following:

1. At our February meeting we elected officers for the coming year starting 3-4-22

President:	Bob Fillmore	phone: 442-260-0567	Space: 154
1 <sup>st</sup> Vice President	Joani Wright	206-909-3929	255
2 <sup>nd</sup> Vice President	Peggy Verkest	949-870-2893	300
Secretary	Janie Wisslead	951-525-2963	301
Treasurer	Jim Lohmann	760-218-3881	226
Social Director	to be filled		
Public Relations	vacant - Linda Burke resigned because of medical issues and we thank her		

for her years of service to the HOA.

Please thank these folks and volunteer whenever you can to help out. Most of the new Board are full time owners, who will represent Hidden Springs year round to meet your HOA needs. I want to thank Joani Wright and Peggy Verkest who helped me reorganize and revitalize our HOA beginning in November and are staying on to continue the success. I personally and especially want to thank, Judy Knox, outgoing Treasurer, for accurate record keeping, correcting past errors, and being excellent support and friend for the last 3 years.

2. Senior/Senior Prom- music provided wonderfully by Matt Jenkins with many snacks provided

It was great fun with volunteers decorating led by Diane Jackson, with Joanie, Peggy V., Janie and me helping (they helped with food tooooooo!)

3. Yard Sale- led by Earl Hill and about 25 wonderful active volunteers, who spent 4 to 5 days moving items, setting up, pricing, selling, cashing, packing, cleaning up, sign making, providing snacks and hot dogs, providing trucks to move and deliver items, took stuff to Angel View and put items back into the house for the next sale etc., etc, etc. We could have used more help as most of the volunteers worked every day to make his a monumental success. I would like to name all the volunteers but if I forgot someone I would feel soooo bad. All I can say is thank you, thank you, thank you. Your HOA will be forever grateful!

4. A motion was made and voted on by the attendees of the 2-4-22 meeting to start eliminating paper and copying expense. We will no longer print minutes, agenda's, and treasurer reports for the monthly meeting and they will be forwarded to Fred Rockwood, [bigdog11309@gmail.com](mailto:bigdog11309@gmail.com) phone: 585-662-8390 to be put on the website: [hiddenspringscchoa.com](http://hiddenspringscchoa.com) before every monthly meeting

5. Because we do not have a new Public Relations Board Member and we are encouraging folks, whether members of the HOA or not, to use the website: [hiddenspringscchoa.com](http://hiddenspringscchoa.com) as a source for information, we ask those who want items posted to contact Fred Rockwood, to specifically find out how he needs information submitted via computer. He is happy to post information in the right format, properly submitted using Microsoft Word, PDF or whatever he desires. The items suggested might be new people in the park, new or correct phone numbers, new HOA member, events of interest, folks posting job or needing workers, Management info, public interest articles, etc. The Sandscript heading might just be used for current information to be update as necessary. We will let Fred decide if this will work.

6. Your HOA is ever changing and will try to keep you informed as to what's going on. Please take responsibility for looking at the website for information and also to posting board especially in the Pro Shop or contacting Board Members for additional information or help you need. As soon as, any Committee positions are filled or not, the Web site will be posted with contact information including e-mails.

I personally want to thank those who have helped me these last 3 years and feel there will be continual improvement, so please support and volunteer as you are able. I love you all!!!!!!!!!!!!!!
