# About Us

DRS Doors is dedicated to servicing our customers with a wide array of composite doors, garage doors and PVC doors.

Our product range is manufactured using high quality materials that guarantee our customers the finest products.

## More Information

The composite door collection provides a range of doors produced with security, durability and thermal efficiency in mind, to businesses and homeowners.

Our traditional and stylish door range has unique handcrafted glass designs and genuine grain effect colour finishes. Accompanying this is a variety of defence locks that will help to keep your home protected and secure.

DRS Doors Ltd is a family run business for over 26 years and prides itself in offering the best service around.

# Service Offering

## Services

### Composite Doors

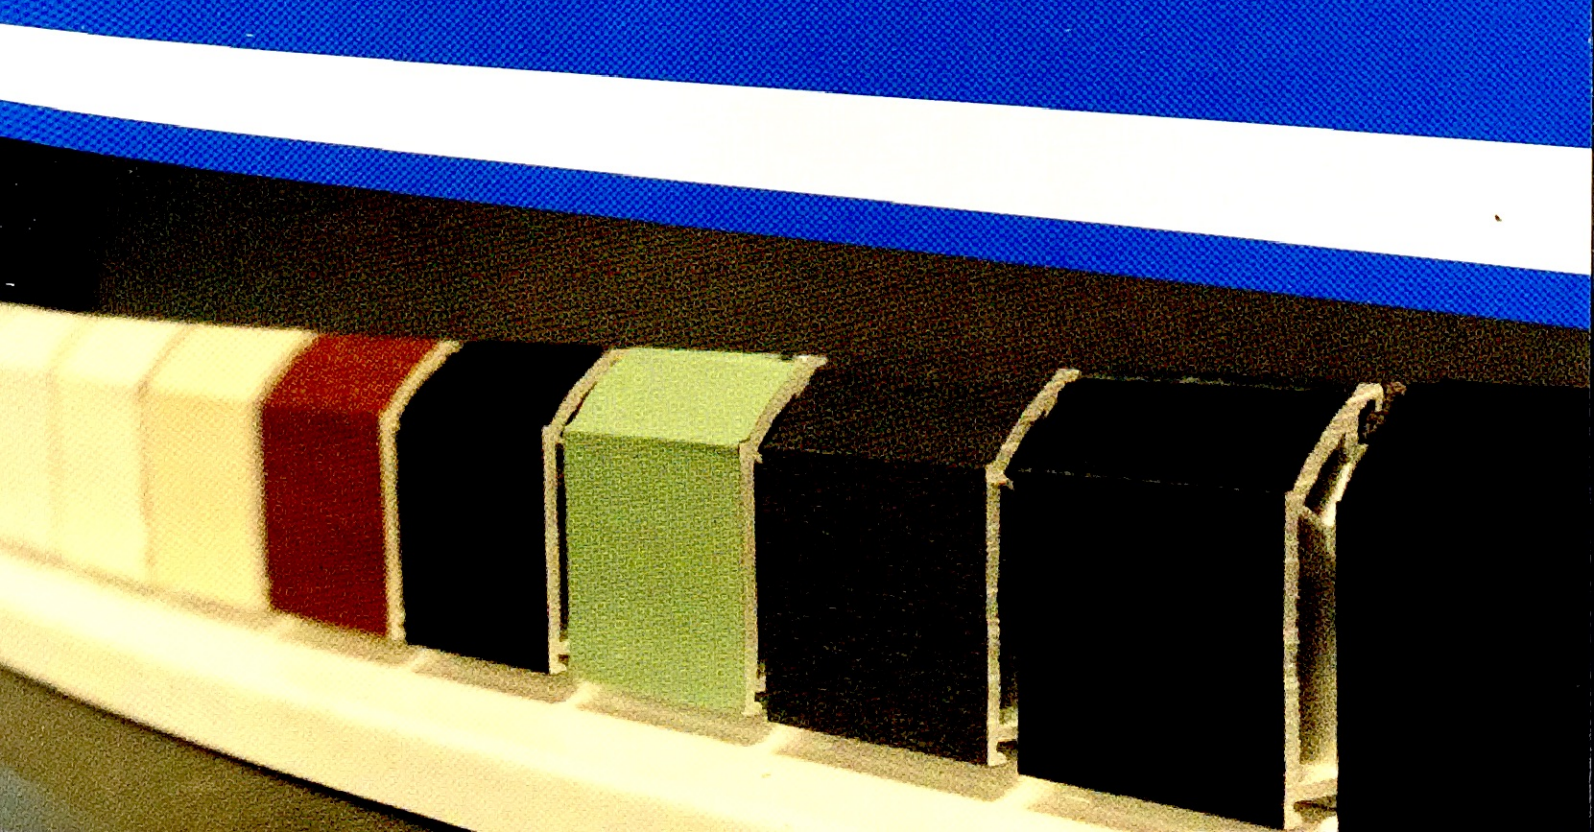

- Constructed from high density CFC-free polyurethane foam and layers of laminated veneered lumber. Finished with GRP (glass-reinforced polyester) inner and outer skins.

### Garage Doors

- Door systems include roller, sectional, side loading, manual, and electric, with remote control, available in our unique multi layer finish, which has a 15 year warranty. Simply put, the visual appearance will be maintained and last longer than inferior paint finished doors.

### PVC Doors

- Provide enhanced security, weather performance and energy efficiency as well as creating a stunning gateway to your home. 70mm Inliten frame with steel reinforcement. Advanced multi-point locking system. High impact resistant design. High performance hardware and furniture.

Visit our showroom today and take a look at the wide range on offer.
