

Welcome

December-January Vol 9

We hope everyone is having an amazing new year, we hope you all had a great Christmas. Santa visited all the Reservoir doggies and they enjoyed having their photos taken with him whilst sitting in his sleigh.

We try our best to commit to everyone to show them around the facilities but back in 2024 we had a wheelchair user and we struggled slightly on the gravel, although they were happy and they're fur baby had a great holiday we want to be able to offer the full visit, so Santa decided to help us with a golf buggy.

Below is a Photo of Bailey with Santa, his little elf and his reindeers. We even managed to spot him visiting the dogs on Christmas Eve.

We wish you all the very best for 2025
lots of love from Team Reservoir.

How lovely is our latest reviews

Laura Broughton-Daycare

Ralph had a lovely time here playing with all the other doggies and exploring the different areas to play in.

Sue Watsham-Boarding

Reggie stayed for a week, his first time in kennels. He loved his time especially the activities and meeting new friends.

This is a brilliant place with staff that care about our furbabies and understand how scary it can be leaving them.

Daily updates, lots of pics and videos to put your mind at rest.

Highly recommend, we shall be back.

Thank You x

Harlem and Belle enjoyed there first swimming experience here today! Highly recommend! Thanks

UPDATE

We aim to reopen the pool at the end of February if not before. With the weather conditions it delayed the work. We want to take this opportunity to thank everyone for their time and patience with the ongoing work to the facilities. Everything we do is to better your fur babies stay with us.
