

December-January Vol 15

Although Christmas feels like a long time ago now, our guests thoroughly enjoyed meeting Santa and The Grinch. Our winners for the Christmas giveaway were Gillian Owen, Natalie Walker and Geraldine Jackson. Big congratulations to you all.

We would like to thank everyone who has taken the time to share recommendations and reviews. Also for supporting Ruby with her business adventure opening Reservoirs Grooming Room. We greatly appreciate your support, and it means a great deal to us. As a gesture of our appreciation, we are pleased to announce that our new pool loyalty cards will be launched on Valentine's Day.

In addition, we are delighted to announce that we have recently welcomed four new additions to our family. Please meet Bambi, Angel, Pumpkin, and Coco, the new mascots of Reservoir Dogs.

Christmas hamper giveaway well done to you all

## How lovely is our latest reviews

### Zoe Holmes-Kenneth-Daycare/Boarding

Our beagle absolutely loves coming to RDR (he genuinely refuses to get in the car at the end of the day!). He always looks so happy on the photos they send & the people that work there treat him like family. We are so grateful to RDR for taking such good care of our boy & would always trust them with him when we go away ❤️

### Barry Harding-Basil-Daycare

I don't usually write reviews but this place is amazing and deserves all the acclaim. Our dog Basil (Brittany spaniel) only started a couple of months ago normally he's nervous and unsure of any changes to his normal daily pattern.

He seriously cannot wait to jump out of the car in the mornings when we get there and join in with the many activities they do.

The team are fantastic and so friendly. I have 100% piece of mind as the place is so secure and dog friendly (he's a good escape artist) we really could not have found a better place for his daily care.

The place is set up so professionally and is a credit to its owners, the team are friendly and obviously you can clear see they love the job well done to all 10/10
