

We hope this newsletter finds everyone well.

we were fortunate enough to attend Crufts, where we had the pleasure of watching the Toy breeds being judged. It was a fantastic day and a wonderful opportunity to see so many beautiful dogs. The Toy Group was ultimately won by a truly stunning Cavalier King Charles Spaniel.

Last year we were delighted to open Reservoirs Grooming Room, and this year we are excited to be working towards launching Reservoirs Small Animal Hydrotherapy. Over the coming months you may notice work taking place on site, as there is a great deal involved in preparing the hydrotherapy room, including the installation of an underwater treadmill.

Our goal is to continue developing our facilities so that we can provide every extra level of care and support for dogs who may benefit from it. We are always striving to improve and to offer the very best for the dogs in our care.

How lovely is our latest reviews

Our beagle absolutely loves coming to RDR (he genuinely refuses to get in the car at the end of the day!). He always looks so happy on the photos they send & the people that work there treat him like family. We are so grateful to RDR for taking such good care of our boy & would always trust them with him when we go away ❤️

I CANNOT recommend this place enough, I'm personally gutted I can't book myself in 😭. It looks fab. We went away for a week and this is the first time we've used the Reservoir doggy hotel and spa. Frank had a fantastic time. The regular photos and updates filled me with so much reassurance. We had a bit of IVDD scare prior to his stay, I was so anxious but they reassured me they'd look after him and send regular updates. Luckily we ruled this out before his visit, but still sent him with medication etc. I highly recommend the pre - departure groom too, he smells beautiful. The place is family run, super secure and I can tell from his lack of weight loss that he definitely wasn't pining for us (like he usually does when we're away) We've already booked him in next year for a much longer break. Worth every single penny.
