

April-May Vol II

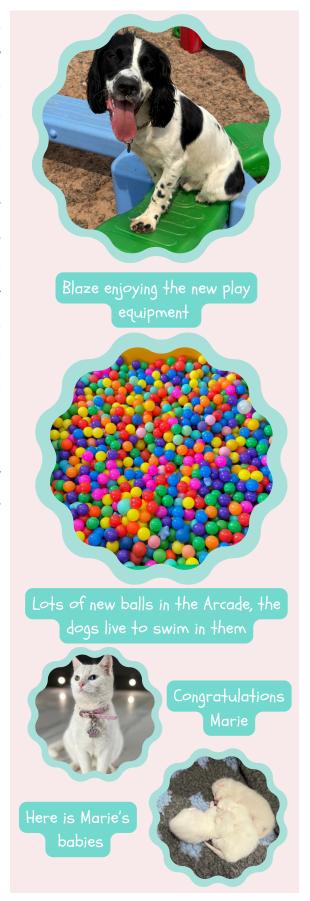

We're back with our latest newsletter to keep you updated. We would like to say a big thank you to Haneys driveways for coming out and tarmacing the meet and greet area for suites one and two. We've recently purchased new play equipment that we've set up in the sand arena. The dogs and the children love it. Whilst the children were off school they set up our agility and the dogs thought it was brilliant, they've also been enjoying their swim sessions. The four new medium suites were signed off and they are mostly booked for the rest of this year. We've tried to accommodate as many clients as possible but we do have a set number we are licensed to care for.

Below is a photo of Arlo enjoying his swim, Holly enjoying the agility and the new play equipment set up in the sand arena.

I was very nervous about leaving my 2 border collies as they usually stay with friends or family. Maria and team were great and my dogs had an absolute blast! They got plenty of exercise and socialisation and came back happy! We also received lots of photos to keep us updated. Will definitely be sending them back in the future if needed:)

## Paula Cauldwell-Daycare
