

Veterinary Release form

Veterinary Release

I (dog owner) agree to the following statements in case of an emergency at Reservoir Doggy Resort & Spa

In the event my dog needs emergency veterinary care due to an accident or illness I give permission for Reservoir Doggy Resort & Spa to seek emergency veterinary care for my dog if every effort has been made to contact me and I am not present.

I understand Reservoir Doggy Resort & Spa works hard to prevent accidents and injuries and that such problems may occur no matter how well they care for my dog.

I understand that efforts will be made to seek veterinary care from my listed vet on my introduction forms but if this is not possible I give permission for an alternative veterinary practice to treat my dog. I also give permission for the alternative vet to have access to my dog's medical records.

I give my permission for my dog to be safely transported to the veterinary clinic or for on-site care to be provided.

I will assume full responsibility for the payment and reimbursement of any veterinary care rendered and agree to reimburse any money paid within 14 days of the incident.

I understand Reservoir Doggy Resort & Spa will not be held liable for any injury or loss and is released from any responsibility related to transportation, treatments given, or any costs that may arise.
