

Paws on holiday is back and we would like to wish you all a Happy New Year. The Doggy Arcade is nearly complete and we are so excited to see our guests enjoy the fun. It's going to have soft play and a ball pit with lots more activities inside including a relaxing area with a sofa and television. We want the dogs to have a variety of activities and areas when they come stay with us. We've already started making plans to upgrade the nature garden and we're also adding a new area in our woodland area but for now I will leave that one as a surprise. There's lots of new ideas for 2024 and we welcome any ideas you may have. We keep adding and improving all the time. We want our guests to live the dream.
