

Hello from all of us at Reservoir Doggy Resort! 🐾

We hope you're all enjoying the summer holidays and making lots of lovely memories with your families and four-legged friends. It's been another busy and exciting few weeks here, and we've loved seeing our guests enjoying everything the resort has to offer.

Our new Splash Pool has been a huge hit since it was completed, with our guests absolutely loving having somewhere to cool off and have some fun! 💧 🐶 We've also just opened our new Hydro Room, complete with our fantastic underwater treadmill, which we're incredibly excited to add to our facilities.

And we're not stopping there! 🚧 🐾 We've already started work on our next exciting project another indoor play room, Reservoirs Mountain Adventure! We can't wait to bring this new space to life and create even more fun and exciting experiences for our guests. Watch this space for more updates... there's lots more fun to come! 💜 🐾

Well done Reservoir Juniors with their home made doggy treats

Fantastic place. So much care and enrichment for the dogs. Everyone has been brilliant with my loopy cocker spaniel, time taken to ensure focused on her needs. Highly recommended
