

Kickstar Sports

Sports Coaching Provider

Welcome

A huge welcome to our Kickstar Sports coaching team.

I started my business, Kickstar Sports in 2020 with the mission to give every child access to an exciting, enjoyable and interactive activities inclusive for all. Where we aim to develop children skills and techniques to their highest potential in an environment that is enriched with opportunity, sense of self esteem, confidence and desire to learn.

Little did I know that 3 years on, Kickstar Sports would continue to grow into the unique sports coaching company as we see it today. Our operation has extended to working in primary schools across West Sussex, running termly holiday camps and recently expanding our business to birthday parties as we continue to grow, exceed expectation and reach out to children that love sports as much as we do.

I hope that this information gives you a little insight into who we are and what you can expect from a sports coaching provider and more,

Best Wishes,

Boys

Coach Luke is brilliant with the children.
Both my children had the best week at the
Football course. Thank you to you all.

"First time our 7 year old attended a holiday club. He came out so elated so happy. He loved the big kids (the instructors) had the best fun ever, made five new friends...then begged me to sign him up for another three days. Amazing instructors, safe and great environment - will definitely be back!"

Our Values

Inclusivity

Promoting an inclusive environment where all children are valued and respected, regardless of their background, ethnicity, gender, or ability.

Collaboration

Fostering a spirit of collaboration and teamwork, encouraging children to work together, share ideas, and support one another.

Respect

Teaching students the importance of respect for themselves, their peers, teachers, and the wider community.

School Coaching Services

At Kickstar Sports we have over a decade of experience working in over 20 primary schools across Hampshire & West Sussex. Our fully qualified coaches create an environment that is rich with opportunity to learn skills and techniques in isolation and in combination with others, promoting further development of FMS for continued use to lead a healthy and active lifestyle.

Provide detailed feedback

Promoting educational outcomes by helping young people build their self-confidence and self-esteem through sport as well as teaching them the value and significance of participation.

Exceptional coaching expertise

Supporting teachers in their efforts to gain a greater understanding of how children acquire fundamental abilities like locomotion, object control, stability, balance, and coordination.

Bespoke Programmes

Our coaches plan and deliver detailed and progressive termly lesson plans specifically tailored to the groups needs. Promoting lifelong participation in sport and physical activity to young people.

TESTIMONIALS

I just wanted to pass on my thanks for yet again, delivering excellent after school football clubs three nights per week during term time. Since joining us in September 2021 your clubs continues to be the most popular club out of all 35 clubs we run each week at the Chichester Free School. Not only are you always full within seconds of the booking forms going live but I have waiting lists as long as my arm of children desperate to join. If only I had more space and more days!
