

DESIGN CENTER-TILES

A PERSONAL MESSAGE....

Welcome! I am so proud to share our thoughtfully created Design Center with you. This is a place where you can explore, dream, and find inspiration as you create the home you've always imagined.

With more than 22 years in the building and construction industry, I not only serve as Vice President of CRIM Residential, I am also a builder and I oversee the entire construction division of our company. My job is simple: I make sure every home we build exceeds your expectations.

Building homes is not just what I do. It's what inspires me. For me, it's about creating spaces where families grow. A home is where memories are made, and dreams are realized.

On behalf of all of us at CRIM Residential, thank you for trusting us with one of the most important investments of your life. We are honored to be the property developer of your choice.

ISAAC ARTHUR
VICE PRESIDENT

Beyond their style and beauty, tiles are renowned for their incredible durability. When properly cared for, they can last a lifetime, retaining their elegance, strength, and functionality year after year. Unlike many other flooring materials that wear down or require replacement, tile remains a timeless choice that combines practicality with sophistication. This makes it not just a surface, but a lasting investment in your home's comfort, value, and enduring appeal.

*The tiles in this brochure are from our standard collection, meaning that you can pick from these tiles as they are included in the price that you pay for the property you are buying. However, please note, customers who are purchasing a property in one of our multi-unit apartment buildings can only select from a limited range of tiles in this brochure. Whenever you see the letters **(AH)** next to a tile, it indicates that this is one of the options that you can pick from. For all other customers without these restrictions, you are free to choose any tile from our standard collection showcased in this brochure.*

*If you need any additional assistance with your tile selection, you can reach out to our Design Center Specialist Eric. Eric will be happy to assist you. He can be reached at **designcenter@crimresidential.com***
