

"APOGEO" ORMEASCO IGT

A refined dry red wine with a luminous ruby colour and delicate garnet reflections. The bouquet opens with floral aromas, ripe cherry notes, and subtle spice, leading to a soft, elegant palate supported by a gentle tannic structure. Crafted from hand-selected Ormeasco grapes grown at 400 meters above sea level in the Bonfigliara locality, Apogeo undergoes spontaneous fermentation with indigenous yeasts and ages for 10-12 months in oak tonneau, followed by extended bottle refinement. Balanced and expressive, it pairs beautifully with our Fricascea di Pollo from our Liguria menu.
