A Note from Huntsman World Senior Games

At this time, there is no reason to believe that the 2020 Huntsman World Senior Games for Athletes age 50 and over will be impacted. We plan to prepare for and hold the Games in October in St. George, Utah, USA. However, in the VERY unlikely event that the Games are cancelled due to the outbreak, athletes will be given the choice of a full refund of their registration fees or a voucher that will be applied to the 2021 Games. Athletes have been and should continue to register with confidence. The Games will continue to analyze the situation and act accordingly as more information is made available.

Remember that our games is only for Athletes age 50 and over.
