

JOY F. JOHNSON, M.ED, M.S., BCBA, IBA

BEHAVIOR ANALYST INCLUSION SPECIALIST,
& AUTISM ADVOCATE

ABOUT JOY JOHNSON

Joy is a Behavior Analyst, Inclusion Specialist, and Autism Advocate who partners with organizations, individuals, and families to improve the lives of Autistic people. After spending years working in clinical settings, non-profits, and schools, her experience enables her to truly serve and represent autism community members in various contexts. Joy holds a Masters in education and a Masters in psychology with a specialization in ABA. In addition to her extensive education and professional experiences, she has a great deal personal experience. Joy is Autistic herself, which provides with a unique perspective, knowledge, and source of passion.
