

JOY F. JOHNSON, M.ED, M.S

BEHAVIOR SPECIALIST, INCLUSION SPECIALIST, &
AUTISM ADVOCATE

ABOUT JOY JOHNSON

Joy is a Behavior Specialist, Inclusion Specialist, and Autism Advocate who partners with organizations, individuals, and families to improve the lives of Autistic people. After spending years working in clinical settings, non-profits, and schools, her experience enables her to truly serve and represent autism community members in various contexts. She holds a Masters in education, a Masters in psychology with a specialization in ABA, and she is currently a PhD student. In addition to her extensive education and professional experiences, she has a great deal personal experience. Joy is Autistic herself, which provides with a unique perspective, knowledge, and source of passion.
