

LUSH EARTH OASIS

Wedding Packages

A wedding at our property feels intimate, elevated, and beautifully relaxed. Imagine your guests arriving to a private country estate surrounded by nature. Your ceremony unfolds outdoors beneath open skies, under a charming cedar arbor. As the evening sets in, guests gather for dinner and dancing under a tent, with golden sunset views across the grounds. Later, the fire pit glows, laughter carries through the trees, and the celebrations continue into the night.
