Re: Brooke Dawahare Release Request

On behalf of the United States Soccer Federation I would like to request the release of Brooke Dawahare to participate in a training camp and matches with the U.S. Under-14 Girls' National Team in Dallas, Texas, March 4 - 8, 2020.

These camps play a vital role in her continuing development as one of the most talented young female soccer players in the United States and are an important step toward identifying a pool of players who will compete for future places on our Women's National Teams, and maybe one day, in the FIFA World Cup and/or Olympic Games.

The United States Soccer Federation (USSF) was founded in 1913 and is the national governing body of soccer in the USA under the auspices of the United States Olympic Committee (USOC). We are responsible for developing the teams that represent the United States in international competition including the Olympics, Pan American Games, Men's and Women's World Cup, the U20 World Cup, the Under-17 World Cup, the Under-20 Women's World Cup and the U-17 Women's World Cup.

We have worked many years with high school and college student-athletes, administrators, advisors, parents and teachers and realize how important everyone's concerns are. We understand the problems with missing school and try to schedule events during breaks and vacations. However, as in this case, it is not always possible. U.S. Soccer always endeavors to assist our student-athletes with their school responsibilities during training camps, giving ample time for studying and reading, and at times, supplying tutors.

Thank you in advance for your understanding. Please feel free to contact me at (206) 940-2261 if you have any questions or concerns.

Best regards,

Alexa Diaz
National Teams Administrator

LEXINGTON, KY- — Over the weekend 13 year-old Brooke Dawahare took strides to her ultimate goal of someday playing for the US Women's National Soccer team.

The LCA 8th grader has been playing for the US soccer development academy team in Cincinnati and was recently one of 62 selected to the National Team U14 ID Camp in Dallas. In doing so, she joins an elite group of soccer players from Lexington to compete in ID camp. Arin Gilliland and Destinie Graves were two others that attended before committing to Kentucky.

"She's going to be with players that have the same goals and aspirations as her," said trainer Michelle Rayner. "It's really going to challenge her."

The camp took place from March 4-8. Once completed the talent will be evaluated and players will be selected into the older U-15 to U-20 YNTs.
