# THREE-PANEL DESK DIVIDERS

Protect students and staff with portable C-shaped Desk Dividers to create physical separation and shield others from coughing, sneezing, and spreading germs. Move from one room to the next quickly and easily with our lightweight and free-standing desk shield. Easy to disinfect and reuse, these dividers set up and knock down in seconds. Our dividers feature clear plastic window areas offering optimal visibility from three sides and a convenient handle. We die-cut all pieces with rounded corners for safety and secure the windows with plastic rivets.
